

# More protection just waddled in.

## Aflac is now available at CBIZ.

Aflac is insurance that pays cash benefits directly<sup>1</sup> if you're sick or injured—cash to spend any way you want. It can help cover things major medical insurance doesn't pay for: like your mortgage, car payments, groceries, or anything you need.

### Aflac also:

- Pays fast—with most claims processed within an average of four days.<sup>2</sup>
- Pays even when you're healthy—many plans provide benefits for routine preventive care.
- Belongs to you, not your employer—and can travel with you to another job.

<sup>1</sup>Benefits are paid directly to you unless otherwise assigned.
