SECTION 2 - INTRODUCTION

What this section includes:

- Who's eligible for coverage under the Plan;
- The factors that impact your cost for coverage;
- Instructions and timeframes for enrolling yourself and your eligible Dependents;
- When coverage begins; and
- When you can make coverage changes under the Plan.

Eligibility

You are eligible to enroll in the Plan if you are a regular full-time Employee who is scheduled to work at least 25 hours per week for 9 months in a 12 month period.

Your eligible Dependents may also participate in the Plan. An eligible Dependent is considered to be:

- your Spouse, as defined in Section 14, *Glossary*;
- your or your Spouse's child who is under age 26, including a natural child, stepchild, a legally adopted child, a child placed for adoption or a child for whom you or your Spouse are the legal guardian; or
- an unmarried child age 26 or over who is or becomes disabled and dependent upon you.

To be eligible for coverage under the Plan, a Dependent must reside within the United States.

Note: Your Dependents may not enroll in the Plan unless you are also enrolled. If you and your Spouse are both covered under the CBIZ Operations, Inc. Welfare Benefit Plan, you may each be enrolled as an Employee or be covered as a Dependent of the other person, but not both. In addition, if you and your Spouse are both covered under the CBIZ Operations, Inc. Welfare Benefit Plan, only one parent may enroll your child as a Dependent.

A Dependent also includes a child for whom health care coverage is required through a Qualified Medical Child Support Order or other court or administrative order, as described in Section 13, *Other Important Information*.

Cost of Coverage

You and CBIZ Operations, Inc. share in the cost of the Plan. Your contribution amount depends on the Plan you select and the family members you choose to enroll.

Your contributions are deducted from your paychecks on a before-tax basis. Before-tax dollars come out of your pay before federal income and Social Security taxes are withheld - and in most states, before state and local taxes are withheld. This gives your contributions a special tax advantage and lowers the actual cost to you.

Note: The Internal Revenue Service generally does not consider Domestic Partners and their children eligible Dependents. Therefore, the value of CBIZ Operations, Inc.'s cost in covering a Domestic Partner may be imputed to the Employee as income. In addition, the share of the Employee's contribution that covers a Domestic Partner and their children may be paid using after-tax payroll deductions.

Your contributions are subject to review and CBIZ Operations, Inc. reserves the right to change your contribution amount from time to time.

You can obtain current contribution rates by calling the CBIZ Employee Service Center.

How to Enroll

To enroll, log onto the CBIZ Employee Service Center website within 31 days of the date you first become eligible for medical Plan coverage. If you do not enroll within 31 days, you will need to wait until the next annual Open Enrollment to make your benefit elections.

Each year during annual Open Enrollment, you have the opportunity to review and change your medical election. Any changes you make during Open Enrollment will become effective the following January 1.

Important

If you wish to change your benefit elections following your marriage, birth, adoption of a child, placement for adoption of a child or other family status change, you must contact the CBIZ Employee Service Center within 31 days of the event. Otherwise, you will need to wait until the next annual Open Enrollment to change your elections.

When Coverage Begins

Once the CBIZ Employee Service Center receives your properly completed enrollment, coverage will begin on the first day of the month following the completion of one month of employment. Coverage for your Dependents will start on the date your coverage begins, provided you have enrolled them in a timely manner.

Coverage for a Spouse or Dependent stepchild that you acquire via marriage becomes effective the first of the month following the date the CBIZ Employee Service Center receives notice of your marriage, provided you notify the CBIZ Employee Service Center within 31 days of your marriage. Coverage for Dependent children acquired through birth, adoption, or placement for adoption is effective the date of the family status change, provided you notify the CBIZ Employee Service Center within 31 days of the birth, adoption, or placement.

Changing Your Coverage

You may make coverage changes during the year only if you experience a change in family status. The change in coverage must be consistent with the change in status (e.g., you cover your Spouse following your marriage, your child following an adoption, etc.). The following are considered family status changes for purposes of the Plan:

- your marriage, divorce, legal separation or annulment;
- registering a Domestic Partner;
- the birth, adoption, placement for adoption or legal guardianship of a child;
- a change in your Spouse's employment or involuntary loss of health coverage (other than coverage under the Medicare or Medicaid programs) under another employer's plan;
- loss of coverage due to the exhaustion of another employer's COBRA benefits, provided you were paying for premiums on a timely basis;
- the death of a Dependent;
- your Dependent child no longer qualifying as an eligible Dependent;
- a change in your or your Spouse's position or work schedule that impacts eligibility for health coverage;
- contributions were no longer paid by the employer (This is true even if you or your eligible Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer);
- you or your eligible Dependent who were enrolled in an HMO no longer live or work in that HMO's service area and no other benefit option is available to you or your eligible Dependent;
- benefits are no longer offered by the Plan to a class of individuals that include you or your eligible Dependent;
- termination of your or your Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage as a result of loss of eligibility (you must contact the CBIZ Employee Service Center within 60 days of termination);
- you or your Dependent become eligible for a premium assistance subsidy under Medicaid or CHIP (you must contact the CBIZ Employee Service Center within 60 days of determination of subsidy eligibility);
- a strike or lockout involving you or your Spouse; or
- a court or administrative order.

Unless otherwise noted above, if you wish to change your elections, you must contact the CBIZ Employee Service Center within 31 days of the change in family status. Otherwise, you will need to wait until the next annual Open Enrollment.

While some of these changes in status are similar to qualifying events under COBRA, you, or your eligible Dependent, do not need to elect COBRA continuation coverage to take advantage of the special enrollment rights listed above. These will also be available to you or your eligible Dependent if COBRA is elected.

Note: Any child under age 26 who is placed with you for adoption will be eligible for coverage on the date the child is placed with you, even if the legal adoption is not yet final. If you do not legally adopt the child, all medical Plan coverage for the child will end when the

placement ends. No provision will be made for continuing coverage (such as COBRA coverage) for the child.

Dependent Child Special Open Enrollment Period

On or before the first day of the plan year beginning on or after September 23, 2010, the Plan will provide a 30 day dependent child special open enrollment period for Dependent children who have not yet reached the limiting age. During this dependent child special open enrollment period, Employees who are adding a Dependent child and who have a choice of coverage options will be allowed to change options.

Coverage begins on the first day of the plan year beginning on or after September 23, 2010, if the CBIZ Employee Service Center receives your properly completed enrollment and any required contribution for coverage within 31 days of the date the Dependent becomes eligible to enroll under this dependent child special open enrollment period.

Change in Family Status - Example

Jane is married and has two children who qualify as Dependents. At annual Open Enrollment, she elects not to participate in CBIZ Operations, Inc.'s medical plan, because her husband, Tom, has family coverage under his employer's medical plan. In June, Tom loses his job as part of a downsizing. As a result, Tom loses his eligibility for medical coverage. Due to this family status change, Jane can elect family medical coverage under CBIZ Operations, Inc.'s medical plan outside of annual Open Enrollment, provided she notifies the CBIZ Employee Service Center within 31 days of the loss of coverage.

SECTION 3 - HOW THE PLAN WORKS

What this section includes:

- Network and Non-Network Benefits;
- Eligible Expenses;
- Annual Deductible;
- Copayment;
- Out-of-Pocket Maximum; and
- Coinsurance.

Network and Non-Network Benefits

As a participant in this Plan, you have the freedom to choose the Physician or health care professional you prefer each time you need to receive Covered Health Services. The choices you make affect the amounts you pay.

Generally, when you receive Covered Health Services from a Network provider, you pay less than you would if you receive the same care from a non-Network provider. Your level of Benefits will be the same if you visit a Network provider or non-Network provider. Because the total amount of Eligible Expenses may be less when you use a Network provider, the portion you pay will be less. Therefore, in most instances, your out-of-pocket expenses will be less if you use a Network provider.

Looking for a Network Provider?

In addition to other helpful information, www.myuhc.com, UnitedHealthcare's consumer website, contains a directory of health care professionals and facilities in UnitedHealthcare's Network. While Network status may change from time to time, www.myuhc.com has the most current source of Network information. Use www.myuhc.com to search for Physicians available in your Plan.

Network Providers

UnitedHealthcare or its affiliates arrange for health care providers to participate in a Network. At your request, UnitedHealthcare will send you a directory of Network providers free of charge. Keep in mind, a provider's Network status may change. To verify a provider's status or request a provider directory, you can call UnitedHealthcare at the toll-free number on your ID card or log onto www.myuhc.com.

Network providers are independent practitioners and are not employees of CBIZ Operations, Inc. or UnitedHealthcare.

Eligible Expenses

Eligible Expenses are charges for Covered Health Services that are provided while the Plan is in effect, determined according to the definition in Section 14, *Glossary*. For certain Covered Health Services, the Plan will not pay these expenses until you have met your

Annual Deductible. CBIZ Operations, Inc. has delegated to UnitedHealthcare the discretion and authority to decide whether a treatment or supply is a Covered Health Service and how the Eligible Expenses will be determined and otherwise covered under the Plan.

Don't Forget Your ID Card

Remember to show your UnitedHealthcare ID card every time you receive health care services from a provider. If you do not show your ID card, a provider has no way of knowing that you are enrolled under the Plan.

Annual Deductible

The Annual Deductible is the amount of Eligible Expenses you must pay each calendar year for Covered Health Services before you are eligible to begin receiving Benefits. The amounts you pay toward your Annual Deductible accumulate over the course of the calendar year.

Amounts paid toward the Annual Deductible for Covered Health Services that are subject to a visit or day limit will also be calculated against that maximum benefit limit. As a result, the limited benefit will be reduced by the number of days or visits you used toward meeting the Annual Deductible.

When a Covered Person was previously covered under a benefit plan that was replaced by the Plan, any amount already applied to that annual deductible provision of the prior plan will apply to the Annual Deductible provision under this Plan.

Copayment

A Copayment (Copay) is the amount you pay each time you receive certain Covered Health Services. The Copay is a flat dollar amount and is paid at the time of service or when billed by the provider. Copays do not count toward the Out-of-Pocket-Maximum. Copays do not count toward the Annual Deductible. If the Eligible Expense is less than the Copay, you are only responsible for paying the Eligible Expense and not the Copay.

Coinsurance

Coinsurance is the percentage of Eligible Expenses that you are responsible for paying. Coinsurance is a fixed percentage that applies to certain Covered Health Services after you meet the Annual Deductible.

Coinsurance – Example

Let's assume that you receive Plan Benefits for outpatient surgery from a provider. Since the Plan pays 80% after you meet the Annual Deductible, you are responsible for paying the other 20%. This 20% is your Coinsurance.

Out-of-Pocket Maximum

The annual Out-of-Pocket Maximum is the most you pay each calendar year for Covered Health Services. If your eligible out-of-pocket expenses in a calendar year exceed the annual maximum, the Plan pays 100% of Eligible Expenses for Covered Health Services through

the end of the calendar year.

The following table identifies what does and does not apply toward your Out-of-Pocket Maximum:

Plan Features	Applies to the Out-of-Pocket Maximum?
Copays	No
Payments toward the Annual Deductible	Yes
Coinsurance Payments	Yes
Charges for non-Covered Health Services	No
The amounts of any reductions in Benefits you incur by not notifying Personal Health Support	No
Charges that exceed Eligible Expenses	No

How the Plan Works - Example

The following example illustrates how Annual Deductibles, Copays, Out-of-Pocket Maximums and Coinsurance work in practice.

Let's say Gary has individual coverage under the Plan. He has met his Annual Deductible and needs to see a Primary Physician. The flow chart below shows what happens when he visits a Primary Physician.

Out-of-Area Plan

|

1. Gary goes to see a Primary Physician, and presents his ID card.

|

2. He receives treatment from the Primary Physician. The Plan's Eligible Expense for the office visit equals \$125.

|

3. On his way out, Gary pays a \$30 Copay. Since Network Physician office visits are covered at 100% after the Copay, Gary has met his financial obligations for this office visit.

|

4. The Plan pays \$95 (\$125 Eligible Expense minus \$30 Copay).

SECTION 4 - PERSONAL HEALTH SUPPORT

What this section includes:

- An overview of the Personal Health Support program; and
- Covered Health Services for which you need to contact Personal Health Support.

UnitedHealthcare provides a program called Personal Health Support designed to encourage personalized, efficient care for you and your covered Dependents.

Personal Health Support Nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available. A Personal Health Support Nurse is notified when you or your provider calls the toll-free number on your ID card regarding an upcoming treatment or service.

If you are living with a chronic condition or dealing with complex health care needs, UnitedHealthcare may assign to you a primary nurse, referred to as a Personal Health Support Nurse to guide you through your treatment. This assigned nurse will answer questions, explain options, identify your needs, and may refer you to specialized care programs. The Personal Health Support Nurse will provide you with their telephone number so you can call them with questions about your conditions, or your overall health and well-being.

Personal Health Support Nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components and notification requirements are subject to change without notice. As of the publication of this SPD, the Personal Health Support program includes:

- **Admission counseling** - For upcoming inpatient Hospital admissions for certain conditions, a Treatment Decision Support Nurse may call you to help answer your questions and to make sure you have the information and support you need for a successful recovery.
- **Inpatient care management** - If you are hospitalized, a nurse will work with your Physician to make sure you are getting the care you need and that your Physician's treatment plan is being carried out effectively.
- **Readmission Management** - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Personal Health Support Nurse to confirm that medications, needed equipment, or follow-up services are in place. The Personal Health Support Nurse will also share important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.

- **Risk Management** - Designed for participants with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies. Participants may receive a phone call from a Personal Health Support Nurse to discuss and share important health care information related to the participant's specific chronic or complex condition.

If you do not receive a call from a Personal Health Support Nurse but feel you could benefit from any of these programs, please call the toll-free number on your ID card.

Requirements for Notifying Personal Health Support

There are some services for which you are responsible for notifying Personal Health Support prior to receiving these services.

In many cases, your Benefits will be reduced if Personal Health Support is not notified. The services that require Personal Health Support notification are:

- ambulance – non-emergent air and ground;
- Congenital Heart Disease services;
- dental services - accident only;
- Durable Medical Equipment for items that will cost more than \$1,000 to purchase or rent, including diabetes equipment for the management and treatment of diabetes;
- home health care;
- hospice care - inpatient;
- Hospital Inpatient Stay, including Emergency admission;
- manipulative treatment as described under Rehabilitation Services - Outpatient Therapy and Manipulative Treatment in Section 6, Additional Coverage Details;
- maternity care that exceeds the delivery timeframes as described in Section 6, *Additional Coverage Details*;
- outpatient dialysis treatments as described in under *Therapeutic Treatments - Outpatient* in Section 6, *Additional Coverage Details*;
- Reconstructive Procedures, including breast reconstruction surgery following mastectomy and breast reduction surgery;
- Skilled Nursing Facility/Inpatient Rehabilitation Facility Services; and
- transplantation services.

For notification timeframes, and reductions in Benefits that apply if you do not notify Personal Health Support, see Section 6, *Additional Coverage Details*.

Contacting Personal Health Support is easy.
Simply call the toll-free number on your ID card.

Special Note Regarding Mental Health and Substance Use Disorder Services

You must provide pre-service notification as described below.

When Benefits are provided for any of the services listed below, the following services require notification:

- Mental Health Services - inpatient services (including Partial Hospitalization/Day Treatment and services at a Residential Treatment Facility);
- Neurobiological Disorders - Mental Health Services for Autism Spectrum Disorders - inpatient services (including Partial Hospitalization/Day treatment and services at a Residential Treatment Facility);
- Substance Use Disorder Services - inpatient services (including Partial Hospitalization/Day Treatment and services at a Residential Treatment Facility).

For a scheduled admission, you must notify the Mental Health/Substance Use Disorder Administrator prior to the admission, or as soon as reasonably possible for non-scheduled admissions (including Emergency admissions). If you fail to notify the Mental Health/Substance Use Disorder Administrator as required, Benefits will be subject to a \$500 reduction.

Special Note Regarding Medicare

If you are enrolled in Medicare on a primary basis and Medicare pays benefits before the Plan, you are not required to notify Personal Health Support before receiving Covered Health Services. Since Medicare pays benefits first, the Plan will pay Benefits second as described in Section 10, *Coordination of Benefits (COB)*.

¹You must notify Personal Health Support, as described in Section 4, *Personal Health Support* to receive full Benefits for certain Covered Health Services. See Section 6, *Additional Coverage Details* for further information.

²These Benefits are for Covered Health Services provided through CRS at a Designated Facility. For oncology services not provided through CRS, the Plan pays Benefits as described under *Physician's Office Services - Sickness and Injury*, *Physician Fees for Surgical and Medical Services*, *Hospital - Inpatient Stay*, *Surgery - Outpatient*, *Scopic Procedures - Outpatient Diagnostic and Therapeutic Lab*, *X-Ray and Diagnostics - Outpatient*, and *Lab, X-Ray and Major Diagnostics - CT, PET, MRI, MRA and Nuclear Medicine - Outpatient*.

SECTION 6 - ADDITIONAL COVERAGE DETAILS

What this section includes:

- Covered Health Services for which the Plan pays Benefits; and
- Covered Health Services that require you to notify Personal Health Support before you receive them, and any reduction in Benefits that may apply if you do not call Personal Health Support.

This section supplements the second table in Section 5, *Plan Highlights*.

While the table provides you with benefit limitations along with Copayment, Coinsurance and Annual Deductible information for each Covered Health Service, this section includes descriptions of the Benefits. These descriptions include any additional limitations that may apply, as well as Covered Health Services for which you must call Personal Health Support. The Covered Health Services in this section appear in the same order as they do in the table for easy reference. Services that are not covered are described in Section 8, *Exclusions*.

Ambulance Services

The Plan covers Emergency ambulance services and transportation provided by a licensed ambulance service to the nearest Hospital that offers Emergency Health Services. See Section 14, *Glossary* for the definition of Emergency.

Ambulance service by air is covered in an Emergency if ground transportation is impossible, or would put your life or health in serious jeopardy. If special circumstances exist, UnitedHealthcare may pay Benefits for Emergency air transportation to a Hospital that is not the closest facility to provide Emergency Health Services.

The Plan also covers non-Emergency transportation when provided by a licensed professional ambulance (either ground or air ambulance, as UnitedHealthcare determines appropriate) between facilities but only when the transport is:

- from a non-Network Hospital to a Network Hospital;
- to a Hospital that provides a higher level of care that was not available at the original Hospital;
- to a more cost-effective acute care facility; or
- from an acute facility to a sub-acute setting.

Note: Ambulance transfer from one Hospital to another because services are not available at the first Hospital are typically covered under the Hospital benefit not the ambulance benefit. Services received from the time of admission to the time of discharge are considered part of the Hospital Inpatient Stay.

In most cases, UnitedHealthcare will initiate and direct non-Emergency ambulance transportation. If you are requesting non-Emergency ambulance services, please remember that you must notify Personal Health Support as soon as possible prior to the transport. If Personal Health Support is not notified, you will be responsible for paying all charges and no Benefits will be paid.

Cancer Resource Services (CRS)

The Plan pays Benefits for oncology services provided by Designated Facilities participating in the Cancer Resource Services (CRS) program. Designated Facility is defined in Section 14, *Glossary*.

For oncology services and supplies to be considered Covered Health Services, they must be provided to treat a condition that has a primary or suspected diagnosis relating to cancer. If you or a covered Dependent has cancer, you may:

- be referred to CRS by a Personal Health Support Nurse;
- call CRS toll-free at (866) 936-6002; or
- visit www.urncrs.com.

To receive Benefits for a cancer-related treatment, you are not required to visit a Designated Facility. If you receive oncology services from a facility that is not a Designated Facility, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury;
- Physician Fees for Surgical and Medical Services;
- Scopic Procedures - Outpatient Diagnostic and Therapeutic;
- Therapeutic Treatments - Outpatient;
- Hospital - Inpatient Stay; and
- Surgery - Outpatient.

Note: The services described under *Travel and Lodging* are Covered Health Services only in connection with cancer-related services received at a Designated Facility.

To receive Benefits under the CRS program, you must contact CRS prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CRS program if CRS provides the proper notification to the Designated Facility provider performing the services (even if you self refer to a provider in that Network).

Congenital Heart Disease (CHD) Surgeries

The Plan pays Benefits for Congenital Heart Disease (CHD) services ordered by a Physician and received at a CHD Resource Services program. Benefits include the facility charge and the charge for supplies and equipment. Benefits are available for the following CHD services:

- outpatient diagnostic testing;
- evaluation;
- surgical interventions;
- interventional cardiac catheterizations (insertion of a tubular device in the heart);
- fetal echocardiograms (examination, measurement and diagnosis of the heart using ultrasound technology); and
- approved fetal interventions.

CHD services other than those listed above are excluded from coverage, unless determined by United Resource Networks or Personal Health Support to be proven procedures for the involved diagnoses. Contact United Resource Networks at (888) 936-7246 or Personal Health Support at the toll-free number on your ID card for information about CHD services.

If you receive Congenital Heart Disease services from a facility that is not a Designated Facility, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury;
- Physician Fees for Surgical and Medical Services;
- Scopic Procedures - Outpatient Diagnostic and Therapeutic;
- Therapeutic Treatments – Outpatient;
- Hospital - Inpatient Stay; and
- Surgery - Outpatient.

Please remember that you must notify United Resource Networks or Personal Health Support as soon as CHD is suspected or diagnosed. If United Resource Networks or Personal Health Support is not notified, Benefits for Covered Health Services will be subject to a \$500 reduction.

Note: The services described under *Travel and Lodging* are Covered Health Services only in connection with CHD services received at a Congenital Heart Disease Resource Services program.

Dental Services - Accident Only

Dental services are covered by the Plan when all of the following are true:

- treatment is necessary because of accidental damage;
- dental damage does not occur as a result of normal activities of daily living or extraordinary use of the teeth;
- dental services are received from a Doctor of Dental Surgery or a Doctor of Medical Dentistry; and

- the dental damage is severe enough that initial contact with a Physician or dentist occurs within 72 hours of the accident. (You may request an extension of this time period provided that you do so within 60 days of the Injury and if extenuating circumstances exist due to the severity of the Injury.)

The Plan also covers dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition limited to:

- dental services related to medical transplant procedures;
- initiation of immunosuppressives (medication used to reduce inflammation and suppress the immune system); and
- direct treatment of acute traumatic Injury, cancer or cleft palate.

Dental services for final treatment to repair the damage caused by accidental Injury must be started within three months of the accident unless extenuating circumstances exist (such as prolonged hospitalization or the presence of fixation wires from fracture care) and completed within 12 months of the accident.

The Plan pays for treatment of accidental Injury only for:

- emergency examination;
- necessary diagnostic x-rays;
- endodontic (root canal) treatment;
- temporary splinting of teeth;
- prefabricated post and core;
- simple minimal restorative procedures (fillings);
- extractions;
- post-traumatic crowns if such are the only clinically acceptable treatment; and
- replacement of lost teeth due to the Injury by implant, dentures or bridges.

Please remember that you should notify Personal Health Support as soon as possible, but at least five business days before follow-up (post-Emergency) treatment begins. You do not have to provide notification before the initial Emergency treatment. When you provide notification, Personal Health Support can determine whether the service is a Covered Health Service.

Diabetes Services

The Plan pays Benefits for the Covered Health Services identified below.

Covered Diabetes Services	
Diabetes Self-Management	Benefits include outpatient self-management training for

Covered Diabetes Services	
and Training/Diabetic Eye Examinations/Foot Care	<p>the treatment of diabetes, education and medical nutrition therapy services. These services must be ordered by a Physician and provided by appropriately licensed or registered healthcare professionals.</p> <p>Benefits under this section also include medical eye examinations (dilated retinal examinations) and preventive foot care for Covered Persons with diabetes.</p>
Diabetic Self-Management Items	<p>Insulin pumps and supplies for the management and treatment of diabetes, based upon the medical needs of the Covered Person. Insulin pumps and blood glucose monitors are subject to all the conditions of coverage stated under <i>Durable Medical Equipment</i> in this section.</p> <p>Benefits for diabetes equipment that meets the definition of Durable Medical Equipment are not subject to the limit stated under <i>Durable Medical Equipment</i> in this section.</p> <p>Benefits for insulin syringes with needles, blood glucose and urine test strips, ketone test strips and tablets and lancets and lancet devices are described in Section 15, <i>Prescription Drugs</i>.</p>

Please remember for that you must notify Personal Health Support before obtaining any Durable Medical Equipment for the management and treatment of diabetes if the purchase, rental, repair or replacement of DME will cost more than \$1,000. You must purchase or rent the DME from the vendor Personal Health Support identifies. If Personal Health Support is not notified, Benefits will be subject to a \$500 reduction.

Durable Medical Equipment (DME)

The Plan pays for Durable Medical Equipment (DME) that is:

- ordered or provided by a Physician for outpatient use;
- used for medical purposes;
- not consumable or disposable;
- not of use to a person in the absence of a Sickness, Injury or disability;
- durable enough to withstand repeated use; and
- appropriate for use in the home.

If more than one piece of DME can meet your functional needs, you will receive Benefits only for the most Cost-Effective piece of equipment. Benefits are provided for a single unit of DME (example: one insulin pump) and for repairs of that unit. If you rent or purchase a

piece of Durable Medical Equipment that exceeds this guideline, you may be responsible for any cost difference between the piece you rent or purchase and the piece UnitedHealthcare has determined is the most Cost-Effective.

Examples of DME include but are not limited to:

- equipment to administer oxygen;
- equipment to assist mobility, such as a standard wheelchair;
- Hospital beds;
- delivery pumps for tube feedings;
- burn garments;
- insulin pumps and all related necessary supplies as described under *Diabetes Services* in this section;
- external cochlear devices and systems. Surgery to place a cochlear implant is also covered by the Plan. Cochlear implantation can either be an inpatient or outpatient procedure. See *Hospital - Inpatient Stay*, *Rehabilitation Services - Outpatient Therapy* and *Surgery - Outpatient* in this section;
- braces that stabilize an injured body part, including necessary adjustments to shoes to accommodate braces. Braces that stabilize an injured body part and braces to treat curvature of the spine are considered Durable Medical Equipment and are a Covered Health Service. Braces that straighten or change the shape of a body part are orthotic devices and are excluded from coverage. Dental braces are also excluded from coverage; and
- equipment for the treatment of chronic or acute respiratory failure or conditions.

The Plan also covers tubings, nasal cannulas, connectors and masks used in connection with DME.

Benefits also include speech aid devices and tracheo-esophageal voice devices required for treatment of severe speech impediment or lack of speech directly attributed to Sickness or Injury. Benefits for the purchase of speech aid devices and tracheo-esophageal voice devices are available only after completing a required three-month rental period. Benefits are limited as stated below.

Note: DME is different from prosthetic devices – see *Prosthetic Devices* in this section.

Benefits for the purchase, repair and replacement of DME are limited to \$2,500 per calendar year. This limit applies to the total amount that the Plan pays for the Durable Medical Equipment and does not include any Copays, Coinsurance or Annual Deductible responsibility you may have. This limit is combined with the annual dollar limit for wigs.

Benefits for diabetes equipment that meets the definition of Durable Medical Equipment are not subject to the calendar year limit stated in the preceding paragraph.

Benefits for speech aid devices and tracheo-esophageal voice devices are limited to the purchase of one device during the entire period of time a Covered Person is enrolled under the Plan. Speech aid and tracheo-esophageal voice devices are included in the annual limits stated above.

Benefits are provided for the repair/replacement of a type of Durable Medical Equipment once every three calendar years.

At UnitedHealthcare's discretion, replacements are covered for damage beyond repair with normal wear and tear, when repair costs exceed new purchase price, or when a change in the Covered Person's medical condition occurs sooner than the three year timeframe. Repairs, including the replacement of essential accessories, such as hoses, tubes, mouth pieces, etc., for necessary DME are only covered when required to make the item/device serviceable and the estimated repair expense does not exceed the cost of purchasing or renting another item/device. Requests for repairs may be made at anytime and are not subject to the three year timeline for replacement.

Please remember that you must notify Personal Health Support if the purchase, rental, repair or replacement of DME will cost more than \$1,000. You must purchase or rent the DME from the vendor Personal Health Support identifies. If Personal Health Support is not notified, Benefits will be subject to a \$500 reduction.

Emergency Health Services - Outpatient

The Plan's Emergency services Benefit pays for outpatient treatment at a Hospital or Alternate Facility when required to stabilize a patient or initiate treatment.

If you are admitted to a Hospital as a result of an Emergency, you must notify Personal Health Support within one business day or the same day of admission if reasonably possible.

Please remember that you must notify Personal Health Support within one business day of the admission or on the same day of admission if reasonably possible if you are admitted to a Hospital as a result of an Emergency. If Personal Health Support is not notified, Benefits for the Inpatient Hospital Stay will be subject to a \$500 reduction.

Hearing Aids

The Plan pays Benefits for hearing aids required for the correction of a hearing impairment (a reduction in the ability to perceive sound which may range from slight to complete deafness). Hearing aids are electronic amplifying devices designed to bring sound more effectively into the ear. A hearing aid consists of a microphone, amplifier and receiver.

Benefits are available for a hearing aid that is purchased as a result of a written recommendation by a Physician. Benefits are provided for the hearing aid and for charges for associated fitting and testing.

Benefits do not include bone anchored hearing aids. Bone anchored hearing aids are a Covered Health Service for which Benefits are available under the applicable

medical/surgical Covered Health Services categories in this section only for Covered Persons who have either of the following:

- craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid; or
- hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid.

Benefits are limited to \$2,500 per calendar year. Benefits are limited to a single purchase (including repair/replacement) per hearing impaired ear every three calendar years.

Home Health Care

Covered Health Services are services that a Home Health Agency provides if you need care in your home due to the nature of your condition. Services must be:

- ordered by a Physician;
- provided by or supervised by a registered nurse in your home, or provided by either a home health aide or licensed practical nurse and supervised by a registered nurse;
- not considered Custodial Care, as defined in Section 14, *Glossary*; and
- provided on a part-time, intermittent schedule when Skilled Care is required. Refer to Section 14, *Glossary* for the definition of Skilled Care.

Personal Health Support will decide if Skilled Care is needed by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are limited to 60 visits per calendar year. One visit equals four hours of Skilled Care services.

Please remember that you must notify Personal Health Support five business days before receiving services or as soon as reasonably possible. If Personal Health Support is not notified, Benefits will be subject to a \$500 reduction.

Hospice Care

Hospice care is an integrated program recommended by a Physician which provides comfort and support services for the terminally ill. Hospice care can be provided on an inpatient or outpatient basis and includes physical, psychological, social, spiritual and respite care for the terminally ill person, and short-term grief counseling for immediate family members while the Covered Person is receiving hospice care. Benefits are available only when hospice care is received from a licensed hospice agency, which can include a Hospital.

Please remember that you must notify Personal Health Support five business days before receiving services. If Personal Health Support is not notified, Benefits will be subject to a \$500 reduction.

The Plan will pay the difference in cost between a Semi-private Room and a private room only if a private room is necessary according to generally accepted medical practice.

Benefits for an Inpatient Stay in a Hospital are available only when the Inpatient Stay is necessary to prevent, diagnose or treat a Sickness or Injury. Benefits for other Hospital-based Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Benefits for Emergency admissions and admissions of less than 24 hours are described under *Emergency Health Services - Outpatient* and *Surgery - Outpatient, Scopic Procedures - Diagnostic and Therapeutic Services*, and *Therapeutic Treatments - Outpatient*, respectively.

Please remember that you must notify Personal Health Support as follows:

- for elective admissions: five business days before admission or as soon as reasonably possible;
- for Emergency admissions (also termed non-elective admissions): within one business day or the same day of admission or as soon as is reasonably possible.

If Personal Health Support is not notified, Benefits will be subject to a \$500 reduction.

What is Coinsurance?

Coinurance is the amount you pay for a Covered Health Service, not including the Copay and/or the Deductible.

For example, if the Plan pays 80% of Eligible Expenses for care received from a provider, your Coinsurance is 20%.

Kidney Resource Services (KRS)

The Plan pays Benefits for Comprehensive Kidney Solution (CKS) that covers both chronic kidney disease and End Stage Renal Disease (ESRD) disease provided by Designated Facilities participating in the Kidney Resource Services (KRS) program. Designated Facility is defined in Section 14, *Glossary*.

If Personal Health Support is not notified, Benefits for the extended stay will be subject to a \$500 reduction.

Healthy moms and babies

The Plan provides a special prenatal program to help during Pregnancy. Participation is voluntary and free of charge. See Section 7, *Resources to Help you Stay Healthy*, for details.

Preventive Care Services

Preventive care services provided on an outpatient basis at a Physician's office, an Alternate Facility or a Hospital encompass medical services that have been demonstrated by clinical evidence to be safe and effective in either the early detection of disease or in the prevention of disease, have been proven to have a beneficial effect on health outcomes and include the following as required under applicable law:

- evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;
- immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;
- with respect to infants, children and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and
- with respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the Health Resources and Services Administration.

In addition to the services listed above, this preventive care benefit includes certain:

- routine lab tests;
- diagnostic consults to prevent disease and detect abnormalities;
- diagnostic radiology and nuclear imaging procedures to screen for abnormalities;
- breast cancer screening and genetic testing; and
- tests to support cardiovascular health.

These additional services are paid under the preventive care benefit when billed by your provider with a wellness diagnosis. Call the number on the back of your ID card for additional information regarding coverage available for specific services.

Prosthetic Devices

Benefits are paid by the Plan for prosthetic devices and appliances that replace a limb or body part, or help an impaired limb or body part work. Examples include, but are not limited to:

- artificial arms, legs, feet and hands;
- artificial face, eyes, ears and nose; and
- breast prosthesis following mastectomy as required by the Women's Health and Cancer Rights Act of 1998, including mastectomy bras and lymphedema stockings for the arm.

Benefits under this section are provided only for external prosthetic devices and do not include any device that is fully implanted into the body other than breast prostheses.

If more than one prosthetic device can meet your functional needs, Benefits are available only for the most Cost-Effective prosthetic device. The device must be ordered or provided either by a Physician, or under a Physician's direction. If you purchase a prosthetic device that exceeds these minimum specifications, the Plan may pay only the amount that would have paid for the prosthetic that meets the minimum specifications, and you may be responsible for paying any difference in cost.

Benefits for the purchase, repair and replacement of prosthetic devices are limited to \$2,500 per calendar year.

Once this limit is reached, Benefits continue to be available for items required by the Women's Health and Cancer Rights Act of 1998.

Benefits are provided for the replacement of a type of prosthetic device once every three calendar years.

At UnitedHealthcare's discretion, prosthetic devices may be covered for damage beyond repair with normal wear and tear, when repair costs are less than the cost of replacement or when a change in the Covered Person's medical condition occurs sooner than the three year timeframe. Replacement of artificial limbs or any part of such devices may be covered when the condition of the device or part requires repairs that cost more than the cost of a replacement device or part.

Note: Prosthetic devices are different from DME - see *Durable Medical Equipment (DME)* in this section.

Reconstructive Procedures

Reconstructive Procedures are services performed when the primary purpose of the procedure is either to treat a medical condition or to improve or restore physiologic function for an organ or body part. Reconstructive procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not a changed or improved physical appearance.

Improving or restoring physiologic function means that the organ or body part is made to work better. An example of a Reconstructive Procedure is surgery on the inside of the nose so that a person's breathing can be improved or restored.

Benefits for Reconstructive Procedures include breast reconstruction following a mastectomy and reconstruction of the non-affected breast to achieve symmetry. Replacement of an existing breast implant is covered by the Plan if the initial breast implant followed mastectomy. Other services required by the Women's Health and Cancer Rights Act of 1998, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any other Covered Health Service. You can contact UnitedHealthcare at the telephone number on your ID card for more information about Benefits for mastectomy-related services.

There may be times when the primary purpose of a procedure is to make a body part work better. However, in other situations, the purpose of the same procedure is to improve the appearance of a body part. Cosmetic procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic function are considered Cosmetic Procedures. A good example is upper eyelid surgery. At times, this procedure will be done to improve vision, which is considered a Reconstructive Procedure. In other cases, improvement in appearance is the primary intended purpose, which is considered a Cosmetic Procedure. This Plan does not provide Benefits for Cosmetic Procedures, as defined in Section 14, *Glossary*.

The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery (or other procedures done to relieve such consequences or behavior) as a reconstructive procedure.

Please remember that you must notify Personal Health Support five business days before undergoing a Reconstructive Procedure. When you provide notification, Personal Health Support can determine whether the service is considered reconstructive or cosmetic. Cosmetic Procedures are always excluded from coverage.

Rehabilitation Services - Outpatient Therapy and Manipulative Treatment

The Plan provides short-term outpatient rehabilitation services for the following types of therapy:

- physical therapy;
- occupational therapy;
- Manipulative Treatment;
- speech therapy;
- post-cochlear implant aural therapy;
- pulmonary rehabilitation; and
- cardiac rehabilitation.

For all rehabilitation services, a licensed therapy provider, under the direction of a Physician, must perform the services. Benefits under this section include rehabilitation services provided in a Physician's office or on an outpatient basis at a Hospital or Alternate Facility.

The Plan will pay Benefits for speech therapy only when the speech impediment or dysfunction results from Injury, Sickness, stroke, cancer, Autism Spectrum Disorders or a Congenital Anomaly, or is needed following the placement of a cochlear implant.

Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if rehabilitation goals have previously been met. Benefits are only available for rehabilitation services that are expected to result in significant physical improvement in your condition within 2 months of the start of treatment. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed Manipulative Treatment or if treatment goals have previously been met. Benefits under this section are not available for maintenance/preventive Manipulative Treatment.

Benefits are limited as follows:

With respect to Covered Persons who are Dependent children:

- 40 visits of physical therapy per calendar year;
- 40 visits of occupational therapy per calendar year; and

- 40 visits of speech therapy per calendar year.

With respect to Covered Persons who are not Dependent children (i.e., Employee and Spouse):

- 20 visits of physical therapy per calendar year;
- 20 visits of occupational therapy per calendar year; and
- 20 visits of speech therapy per calendar year.

With respect to all Covered Persons:

- 20 visits of pulmonary rehabilitation therapy per calendar year;
- 36 visits of cardiac rehabilitation therapy per calendar year; and
- 24 visits of Manipulative Treatment per calendar year (limited to one visit and treatment per day).

Please remember that you must notify Personal Health Support five business days before receiving Manipulative Treatment or as soon as reasonably possible. If Personal Health Support is not notified, Benefits will be subject to a \$500 reduction.

Scopic Procedures - Outpatient Diagnostic and Therapeutic

The Plan pays for diagnostic and therapeutic scopic procedures and related services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Diagnostic scopic procedures are those for visualization, biopsy and polyp removal. Examples of diagnostic scopic procedures include colonoscopy, sigmoidoscopy, and endoscopy.

Benefits under this section include:

- the facility charge and the charge for supplies and equipment; and
- Physician services for anesthesiologists, pathologists and radiologists.

Please note that Benefits under this section do not include surgical scopic procedures, which are for the purpose of performing surgery. Benefits for surgical scopic procedures are described under *Surgery - Outpatient*. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy, hysteroscopy.

Skilled Nursing Facility/Inpatient Rehabilitation Facility Services

Facility services for an Inpatient Stay in a Skilled Nursing Facility or Inpatient Rehabilitation Facility are covered by the Plan. Benefits include:

- non-Physician services and supplies received during the Inpatient Stay; and
- room and board in a Semi-private Room (a room with two or more beds); and

- Physician services for anesthesiologists, consulting Physicians, pathologists and radiologists.

Benefits are available when skilled nursing and/or Inpatient Rehabilitation Facility services are needed on a daily basis. Benefits are also available in a Skilled Nursing Facility or Inpatient Rehabilitation Facility for treatment of a Sickness or Injury that would have otherwise required an Inpatient Stay in a Hospital.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

UnitedHealthcare will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are available only if:

- the initial confinement in a Skilled Nursing Facility or Inpatient Rehabilitation Facility was or will be a cost-effective alternative to an Inpatient Stay in a Hospital; and
- you will receive skilled care services that are not primarily Custodial Care.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when:

- it is delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient;
- it is ordered by a Physician;
- it is not delivered for the purpose of assisting with activities of daily living, including but not limited to dressing, feeding, bathing or transferring from a bed to a chair; and
- it requires clinical training in order to be delivered safely and effectively.

You are expected to improve to a predictable level of recovery. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if discharge rehabilitation goals have previously been met.

Note: The Plan does not pay Benefits for Custodial Care or Domiciliary Care, even if ordered by a Physician, as defined in Section 14, *Glossary*.

Benefits are limited to 60 days per calendar year.

Please remember that you must notify Personal Health Support as follows:

- for elective admissions: five business days before admission;
- for Emergency admissions (also termed non-elective admissions): as soon as is reasonably possible.

If Personal Health Support is not notified, Benefits will be subject to a \$500 reduction.

Substance Use Disorder Services

Substance Use Disorder Services include those received on an inpatient basis in a Hospital or an Alternate Facility and those received on an outpatient basis in a provider's office or at an Alternate Facility.

Benefits include the following services provided on either an inpatient or outpatient basis:

- diagnostic evaluations and assessment;
- treatment planning;
- referral services;
- medication management;
- individual, family, therapeutic group and provider-based case management;
- crisis intervention; and

Benefits include the following services provided on an inpatient basis:

- Partial Hospitalization/Day Treatment; and
- services at a Residential Treatment Facility.

Benefits include the following services provided on an outpatient basis:

- Intensive Outpatient Treatment.

The Mental Health/Substance Use Disorder Administrator determines coverage for the inpatient treatment. If an Inpatient Stay is required, it is covered on a Semi-private Room basis.

You are encouraged to contact the Mental Health/Substance Use Disorder Administrator for referrals to providers and coordination of care.

Special Substance Use Disorder Programs and Services

Special programs and services that are contracted under the Mental Health/Substance Use Disorder Administrator may become available to you as part of your Substance Use Disorder Services benefit. The Substance Use Disorder Services Benefits and financial requirements assigned to these programs or services are based on the designation of the program or service to inpatient, Partial Hospitalization/Day Treatment, Intensive Outpatient Treatment, outpatient or a Transitional Care category of benefit use. Special programs or services provide access to services that are beneficial for the treatment of your substance use disorder which may not otherwise be covered under this Plan. Any decision to participate in such program or service is at the discretion of the Covered Person and is not mandatory.

Please remember that you must notify the MH/SUD Administrator to receive inpatient Benefits. Please call the phone number that appears on your ID card. Without notification, Benefits will be subject to a \$500 reduction.

Surgery - Outpatient

The Plan pays for surgery and related services received on an outpatient basis at a Hospital or Alternate Facility.

Benefits under this section include:

- the facility charge and the charge for supplies and equipment;
- certain surgical scopic procedures (examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy, hysteroscopy); and
- Physician services for anesthesiologists, pathologists and radiologists.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*. When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services - Sickness and Injury* in this section.

Therapeutic Treatments - Outpatient

The Plan pays Benefits for therapeutic treatments received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office, including but not limited to dialysis (both hemodialysis and peritoneal dialysis), intravenous chemotherapy or other intravenous infusion therapy and radiation oncology.

Covered Health Services include medical education services that are provided on an outpatient basis at a Hospital or Alternate Facility by appropriately licensed or registered healthcare professionals when:

- education is required for a disease in which patient self-management is an important component of treatment; and
- there exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Benefits under this section include:

- the facility charge and the charge for related supplies and equipment; and
- Physician services for anesthesiologists, pathologists and radiologists. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Please remember that you must notify Personal Health Support five business days before scheduled dialysis services are received or, for non-scheduled services, within one business day or as soon as reasonably possible. If Personal Health Support is not notified, Benefits will be subject to a \$500 reduction.

Transplantation Services

Inpatient facility services (including evaluation for transplant, organ procurement and donor searches) for transplantation procedures must be ordered by a Network provider and received at a Designated Facility. Benefits are available to the donor and the recipient when the recipient is covered under this Plan. The transplant must meet the definition of a Covered Health Service and cannot be Experimental or Investigational, or Unproven. Examples of transplants for which Benefits are available include but are not limited to:

- heart;

- lung;
- kidney;
- kidney/pancreas;
- liver;
- liver/kidney;
- liver/intestinal;
- pancreas;
- intestinal; and
- bone marrow (either from you or from a compatible donor) and peripheral stem cell transplants, with or without high dose chemotherapy. Not all bone marrow transplants meet the definition of a Covered Health Service

Benefits are also available for cornea transplants that are provided by a Network provider at a Network Hospital. You are not required to notify United Resource Networks or Personal Health Support of a cornea transplant nor is the cornea transplant required to be performed at a Designated Facility.

Donor costs that are directly related to organ removal are Covered Health Services for which Benefits are payable through the organ recipient's coverage under the Plan.

The Plan has specific guidelines regarding Benefits for transplant services. Contact United Resource Networks at (888) 936-7246 or Personal Health Support at the telephone number on your ID card for information about these guidelines.

Note: The services described under *Travel and Lodging* are Covered Health Services only in connection with transplant services received at a Designated Facility.

Please remember that you must notify United Resource Networks or Personal Health Support as soon as the possibility of a transplant arises (and before the time a pre-transplantation evaluation is performed at a transplant center). If United Resource Networks or Personal Health Support is not notified and if, as a result, the services are not performed at a Designated Facility, no Benefits will be paid and you will be responsible for paying all charges.

Travel and Lodging

United Resource Networks or Personal Health Support will assist the patient and family with travel and lodging arrangements related to:

- Congenital Heart Disease (CHD);
- transplantation services; and
- cancer-related treatments.

For travel and lodging services to be covered, the patient must be receiving services at a Designated Facility through United Resource Networks.

The Plan covers expenses for travel and lodging for the patient, provided he or she is not covered by Medicare, and a companion as follows:

- transportation of the patient and one companion who is traveling on the same day(s) to and/or from the site of the cancer-related treatment, the CHD service, or the transplant for the purposes of an evaluation, the procedure or necessary post-discharge follow-up;
- Eligible Expenses for lodging for the patient (while not a Hospital inpatient) and one companion. Benefits are paid at a per diem (per day) rate of up to \$50 per day for the patient or up to \$100 per day for the patient plus one companion; or
- if the patient is an enrolled Dependent minor child, the transportation expenses of two companions will be covered and lodging expenses will be reimbursed at a per diem rate up to \$100 per day.

Travel and lodging expenses are only available if the recipient lives more than 50 miles from the Designated Facility (for CRS and transplantation) or the CHD facility. UnitedHealthcare must receive valid receipts for such charges before you will be reimbursed. Examples of travel expenses may include:

- airfare at coach rate;
- taxi or ground transportation; or
- mileage reimbursement at the IRS rate for the most direct route between the patient's home and the Designated Facility.

A combined overall maximum Benefit of \$10,000 per Covered Person applies for all travel and lodging expenses reimbursed under this Plan in connection with all cancer treatments

and transplant procedures and CHD treatments during the entire period that person is covered under this Plan.

Please review all limits carefully, as the Plan will not pay Benefits for any of the services, treatments, items or supplies that exceed these benefit limits.

Please note that in listing services or examples, when the SPD says "this includes," or "including but not limiting to", it is not UnitedHealthcare's intent to limit the description to that specific list. SECTION 9 - CLAIMS PROCEDURES

What this section includes:

- How Network and non-Network claims work; and
- What to do if your claim is denied, in whole or in part.

Network Benefits

In general, if you receive Covered Health Services from a Network provider, UnitedHealthcare will pay the Physician or facility directly. If a Network provider bills you for any Covered Health Service other than your Copay or Coinsurance, please contact the provider or call UnitedHealthcare at the phone number on your ID card for assistance.

Keep in mind, you are responsible for meeting the Annual Deductible and paying any Copay or Coinsurance owed to a Network provider at the time of service, or when you receive a bill from the provider.

Non-Network Benefits

If you receive a bill for Covered Health Services from a non-Network provider, you (or the provider if they prefer) must send the bill to UnitedHealthcare for processing. To make sure the claim is processed promptly and accurately, a completed claim form must be attached and mailed to UnitedHealthcare at the address on the back of your ID card.

Prescription Drug Benefit Claims

If you wish to receive reimbursement for a prescription, you may submit a post-service claim as described in this section if:

- you are asked to pay the full cost of the Prescription Drug when you fill it and you believe that the Plan should have paid for it; or
- you pay a Copay and you believe that the amount of the Copay was incorrect.

If a pharmacy (retail or mail order) fails to fill a prescription that you have presented and you believe that it is a Covered Health Service, you may submit a pre-service request for Benefits as described in this section.

If Your Provider Does Not File Your Claim

You can obtain a claim form by visiting www.myuhc.com, calling the toll-free number on your ID card or contacting the CBIZ Employee Service Center. If you do not have a claim form, simply attach a brief letter of explanation to the bill, and verify that the bill contains the information listed below. If any of these items are missing from the bill, you can include them in your letter:

- your name and address;
- the patient's name, age and relationship to the Employee;

- the number as shown on your ID card;
- the name, address and tax identification number of the provider of the service(s);
- a diagnosis from the Physician;
- the date of service;
- an itemized bill from the provider that includes:
 - the Current Procedural Terminology (CPT) codes;
 - a description of, and the charge for, each service;
 - the date the Sickness or Injury began; and
 - a statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name and address of the other carrier(s).

Failure to provide all the information listed above may delay any reimbursement that may be due you.

The above information should be filed with us at the address on your ID card. When filing a claim for Outpatient Prescription Drug Benefits, your claims should be submitted to:

Medco Health Solutions, Inc.
P.O. Box 14711
Lexington, KY 40512

After UnitedHealthcare has processed your claim, you will receive payment for Benefits that the Plan allows. It is your responsibility to pay the non-Network provider the charges you incurred, including any difference between what you were billed and what the Plan paid.

You may not assign your Benefits under the Plan to a non-Network provider without our consent. When an assignment is not obtained, UnitedHealthcare will send the reimbursement directly to you (the Employee) for you to reimburse the non-Network provider upon receipt of their bill. However, the Claims Administrator reserves the right, in its discretion, to pay a non-Network provider directly for services rendered to you. If Benefits are assigned or payment to a non-Network provider is made, CBIZ Operations, Inc. reserves the right to offset Benefits to be paid to the provider by any amounts that the provider owes CBIZ Operations, Inc.

When you assign your Benefits under the Plan to a non-Network provider with our consent, and the non-Network provider submits a claim for payment, you and the non-Network provider represent and warrant that the Covered Health Services were actually provided and were medically appropriate.

Health Statements

Each month in which UnitedHealthcare processes at least one claim for you or a covered Dependent, you will receive a Health Statement in the mail. Health Statements make it easy for you to manage your family's medical costs by providing claims information in easy-to-understand terms.

If you would rather track claims for yourself and your covered Dependents online, you may do so at www.myuhc.com. You may also elect to discontinue receipt of paper Health Statements by making the appropriate selection on this site.

Explanation of Benefits (EOB)

You may request that UnitedHealthcare send you a paper copy of an Explanation of Benefits (EOB) after processing the claim. The EOB will let you know if there is any portion of the claim you need to pay. If any claims are denied in whole or in part, the EOB will include the reason for the denial or partial payment. If you would like paper copies of the EOBs, you may call the toll-free number on your ID card to request them. You can also view and print all of your EOBs online at www.myuhc.com. See Section 14, *Glossary* for the definition of Explanation of Benefits.

Important - Timely Filing of Claims

All claim forms must be submitted within 12 months after the date of service. Otherwise, the Plan will not pay any Benefits for that Eligible Expense, or Benefits will be reduced, as determined by UnitedHealthcare. This 12-month requirement does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Claim Denials and Appeals

If Your Claim is Denied

If a claim for Benefits is denied in part or in whole, you may call UnitedHealthcare at the number on your ID card before requesting a formal appeal. If UnitedHealthcare cannot resolve the issue to your satisfaction over the phone, you have the right to file a formal appeal as described below.

How to Appeal a Denied Claim

If you wish to appeal a denied pre-service request for Benefits or post-service claim as described below, you or your authorized representative must submit your appeal in writing within 180 days of receiving the adverse benefit determination. You do not need to submit Urgent Care appeals in writing. This communication should include:

- the patient's name and ID number as shown on the ID card;
- the provider's name;
- the date of medical service;
- the reason you disagree with the denial; and
- any documentation or other written information to support your request.

You or your authorized representative may send a written request for an appeal to:

UnitedHealthcare - Appeals
P.O. Box 30432
Salt Lake City, UT 84130-0432

For Urgent Care requests for Benefits that have been denied, you or your provider can call UnitedHealthcare at the toll-free number on your ID card to request an appeal.

Types of claims

The timing of the claims appeal process is based on the type of claim you are appealing. If you wish to appeal a claim, it helps to understand whether it is an:

- urgent care request for Benefits;
- pre-service request for Benefits;
- post-service claim; or
- concurrent claim.

Review of an Appeal

UnitedHealthcare will conduct a full and fair review of your appeal. The appeal may be reviewed by:

- an appropriate individual(s) who did not make the initial benefit determination; and
- a health care professional with appropriate expertise who was not consulted during the initial benefit determination process.

Once the review is complete, if UnitedHealthcare upholds the denial, you will receive a written explanation of the reasons and facts relating to the denial.

Filing a Second Appeal

Your Plan offers two levels of appeal. If you are not satisfied with the first level appeal decision, you have the right to request a second level appeal from UnitedHealthcare within 60 days from receipt of the first level appeal determination. UnitedHealthcare must notify you of the appeal determination within 15 days after receiving the completed appeal for a pre-service denial and 30 days after receiving the completed post-service appeal.

Note: Upon written request and free of charge, any Covered Persons may examine documents relevant to their claim and/or appeals and submit opinions and comments. UnitedHealthcare will review all claims in accordance with the rules established by the U.S. Department of Labor.

External Review Program

If, after exhausting your internal appeals, you are not satisfied with the final determination, you may choose to participate in the external review program. This program only applies if the adverse benefit determination is based on:

- clinical reasons;
- the exclusions for Experimental or Investigational Services or Unproven Services; or
- as otherwise required by applicable law.

This external review program offers an independent review process to review the denial of a requested service or procedure or the denial of payment for a service or procedure. The process is available at no charge to you after exhausting the appeals process identified above and you receive a decision that is unfavorable, or if UnitedHealthcare fails to respond to your appeal within the time lines stated below.

You may request an independent review of the adverse benefit determination. Neither you nor UnitedHealthcare will have an opportunity to meet with the reviewer or otherwise participate in the reviewer's decision.

All requests for an independent review must be made within four (4) months of the date you receive the adverse benefit determination. You, your treating Physician or an authorized designated representative may request an independent review by contacting the toll-free number on your ID card or by sending a written request to the address on your ID card.

The independent review will be performed by an independent Physician, or by a Physician who is qualified to decide whether the requested service or procedure is a Covered Health Service under the Plan. The Independent Review Organization (IRO) has been contracted by UnitedHealthcare and has no material affiliation or interest with UnitedHealthcare or CBIZ Operations, Inc. UnitedHealthcare will choose the IRO based on a rotating list of approved IROs.

In certain cases, the independent review may be performed by a panel of Physicians, as deemed appropriate by the IRO.

Within applicable timeframes of UnitedHealthcare's receipt of a request for independent review, the request will be forwarded to the IRO, together with:

- all relevant medical records;
- all other documents relied upon by UnitedHealthcare in making a decision on the case; and
- all other information or evidence that you or your Physician has already submitted to UnitedHealthcare.

If there is any information or evidence you or your Physician wish to submit in support of the request that was not previously provided, you may include this information with the request for an independent review, and UnitedHealthcare will include it with the documents forwarded to the IRO. A decision will be made within applicable timeframes. If the reviewer needs additional information to make a decision, this time period may be extended. The independent review process will be expedited if you meet all the criteria for independent review and the Physician certifies that the requested service or procedure would be significantly less effective if not promptly initiated.

The reviewer's decision will be in writing and will include the clinical basis for the determination. The IRO will provide you and UnitedHealthcare with the reviewer's decision, a description of the qualifications of the reviewer and any other information deemed appropriate by the organization.

If the final independent decision is to approve payment or referral, the Plan will accept the decision and provide Benefits for such service or procedure in accordance with the terms and conditions of the Plan. If the final independent review decision is that payment or referral will not be made, the Plan will not be obligated to provide Benefits for the service or procedure.

You may contact UnitedHealthcare at the toll-free number on your ID card for more information regarding your external appeal rights and the independent review process.

UnitedHealthcare must notify you of the first level appeal decision within:	30 days after receiving the first level appeal
You must appeal the first level appeal (file a second level appeal) within:	60 days after receiving the first level appeal decision
UnitedHealthcare must notify you of the second level appeal decision within:	30 days after receiving the second level appeal

Concurrent Care Claims

If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and your request to extend the treatment is an Urgent Care request for Benefits as defined above, your request will be decided within 24 hours, provided your request is made at least 24 hours prior to the end of the approved treatment.

UnitedHealthcare will make a determination on your request for the extended treatment within 24 hours from receipt of your request.

If your request for extended treatment is not made at least 24 hours prior to the end of the approved treatment, the request will be treated as an Urgent Care request for Benefits and decided according to the timeframes described above. If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and you request to extend treatment in a non-urgent circumstance, your request will be considered a new request and decided according to post-service or pre-service timeframes, whichever applies.

Limitation of Action

You cannot bring any legal action against CBIZ Operations, Inc. or the Claims Administrator to recover reimbursement until 90 days after you have properly submitted a request for reimbursement as described in this section and all required reviews of your claim have been completed. If you want to bring a legal action against CBIZ Operations, Inc. or the Claims Administrator, you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted or you lose any rights to bring such an action against CBIZ Operations, Inc. or the Claims Administrator.

You cannot bring any legal action against CBIZ Operations, Inc. or the Claims Administrator for any other reason unless you first complete all the steps in the appeal process described in this section. After completing that process, if you want to bring a legal action against CBIZ Operations, Inc. or the Claims Administrator you must do so within three years of the date you are notified of our final decision on your appeal or you lose any rights to bring such an action against CBIZ Operations, Inc. or the Claims Administrator.

SECTION 10 - COORDINATION OF BENEFITS (COB)

What this section includes:

- How your Benefits under this Plan coordinate with other medical plans;
- How coverage is affected if you become eligible for Medicare; and
- Procedures in the event the Plan overpays Benefits.

Coordination of Benefits (COB) applies to you if you are covered by more than one health benefits plan, including any one of the following:

- another employer sponsored health benefits plan;
- a medical component of a group long-term care plan, such as skilled nursing care;
- no-fault or traditional "fault" type medical payment benefits or personal injury protection benefits under an auto insurance policy;
- medical payment benefits under any premises liability or other types of liability coverage; or
- Medicare or other governmental health benefit.

If coverage is provided under two or more plans, COB determines which plan is primary and which plan is secondary. The plan considered primary pays its benefits first, without regard to the possibility that another plan may cover some expenses. Any remaining expenses may be paid under the other plan, which is considered secondary. The secondary plan may determine its benefits based on the benefits paid by the primary plan.

Don't forget to update your Dependents' Medical Coverage Information

Avoid delays on your Dependent claims by updating your Dependent's medical coverage information. Just log on to **www.myuhc.com** or call the toll-free number on your ID card to update your COB information. You will need the name of your Dependent's other medical coverage, along with the policy number.

Determining Which Plan is Primary

If you are covered by two or more plans, the benefit payment follows the rules below in this order:

- this Plan will always be secondary to medical payment coverage or personal injury protection coverage under any auto liability or no-fault insurance policy;
- when you have coverage under two or more medical plans and only one has COB provisions, the plan without COB provisions will pay benefits first;
- a plan that covers a person as an employee pays benefits before a plan that covers the person as a dependent;
- if you are receiving COBRA continuation coverage under another employer plan, this Plan will pay Benefits first;

- your dependent children will receive primary coverage from the parent whose birth date occurs first in a calendar year. If both parents have the same birth date, the plan that pays benefits first is the one that has been in effect the longest. This birthday rule applies only if:
 - the parents are married or living together whether or not they have ever been married and not legally separated; or
 - a court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage;
- if two or more plans cover a dependent child of divorced or separated parents and if there is no court decree stating that one parent is responsible for health care, the child will be covered under the plan of:
 - the parent with custody of the child; then
 - the Spouse of the parent with custody of the child; then
 - the parent not having custody of the child; then
 - the Spouse of the parent not having custody of the child;
- plans for active employees pay before plans covering laid-off or retired employees;
- the plan that has covered the individual claimant the longest will pay first; The expenses must be covered in part under at least one of the plans; and
- finally, if none of the above rules determines which plan is primary or secondary, the allowable expenses shall be shared equally between the plans meeting the definition of Plan. In addition, this Plan will not pay more than it would have paid had it been the primary Plan.

The following examples illustrate how the Plan determines which plan pays first and which plan pays second.

Determining Primary and Secondary Plan – Examples

- 1) Let's say you and your Spouse both have family medical coverage through your respective employers. You are unwell and go to see a Physician. Since you're covered as an Employee under this Plan, and as a Dependent under your Spouse's plan, this Plan will pay Benefits for the Physician's office visit first.
- 2) Again, let's say you and your Spouse both have family medical coverage through your respective employers. You take your Dependent child to see a Physician. This Plan will look at your birthday and your Spouse's birthday to determine which plan pays first. If you were born on June 11 and your Spouse was born on May 30, your Spouse's plan will pay first.

When This Plan is Secondary

If this Plan is secondary, it determines the amount it will pay for a Covered Health Service by following the steps below.

- the Plan determines the amount it would have paid had it been the only plan involved.

- the Plan pays the entire difference between the allowable expense and the amount paid by the primary plan – as long as this amount is not more than the Plan would have paid had it been the only plan involved.

The maximum combined payment you may receive from all plans cannot exceed 100% of the total allowable expense. See the textbox below for the definition of allowable expense.

Determining the Allowable Expense When This Plan is Secondary

When this Plan is secondary, the allowable expense is the primary plan's Network rate. If the primary plan bases its reimbursement on reasonable and customary charges, the allowable expense is the primary plan's reasonable and customary charge. If both the primary plan and this Plan do not have a contracted rate, the allowable expense will be the greater of the two plans' reasonable and customary charges.

What is an allowable expense?

For purposes of COB, an allowable expense is a health care expense that is covered at least in part by one of the health benefit plans covering you.

When a Covered Person Qualifies for Medicare

Determining Which Plan is Primary

To the extent permitted by law, this Plan will pay Benefits second to Medicare when you become eligible for Medicare, even if you don't elect it. There are, however, Medicare-eligible individuals for whom the Plan pays Benefits first and Medicare pays benefits second:

- Employees with active current employment status age 65 or older and their Spouses age 65 or older; and
- individuals with end-stage renal disease, for a limited period of time.

Determining the Allowable Expense When This Plan is Secondary

If this Plan is secondary to Medicare, the Medicare approved amount is the allowable expense, as long as the provider accepts Medicare. If the provider does not accept Medicare, the Medicare limiting charge (the most a provider can charge you if they don't accept Medicare) will be the allowable expense. Medicare payments, combined with Plan Benefits, will not exceed 100% of the total allowable expense.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. The Plan Administrator may get the facts needed from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other plans covering the person claiming benefits.

The Plan Administrator does not need to tell, or get the consent of, any person to do this. Each person claiming benefits under this Plan must give UnitedHealthcare any facts needed to apply those rules and determine benefits payable. If you do not provide UnitedHealthcare

the information needed to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

Overpayment and Underpayment of Benefits

If you are covered under more than one medical plan, there is a possibility that the other plan will pay a benefit that UnitedHealthcare should have paid. If this occurs, the Plan may pay the other plan the amount owed.

If the Plan pays you more than it owes under this COB provision, you should pay the excess back promptly. Otherwise, the Company may recover the amount in the form of salary, wages, or benefits payable under any Company-sponsored benefit plans, including this Plan. The Company also reserves the right to recover any overpayment by legal action or offset payments on future Eligible Expenses.

If the Plan overpays a health care provider, UnitedHealthcare reserves the right to recover the excess amount, by legal action if necessary.

Refund of Overpayments

If CBIZ Operations, Inc. pays for Benefits for expenses incurred on account of a Covered Person, that Covered Person, or any other person or organization that was paid, must make a refund to CBIZ Operations, Inc. if:

- all or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person;
- all or some of the payment CBIZ Operations, Inc. made exceeded the Benefits under the Plan; or
- all or some of the payment was made in error.

The refund equals the amount CBIZ Operations, Inc. paid in excess of the amount that should have paid under the Plan. If the refund is due from another person or organization, the Covered Person agrees to help CBIZ Operations, Inc. get the refund when requested.

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount, CBIZ Operations, Inc. may reduce the amount of any future Benefits for the Covered Person that are payable under the Plan. The reductions will equal the amount of the required refund. CBIZ Operations, Inc. may have other rights in addition to the right to reduce future Benefits.

SECTION 11 - SUBROGATION AND REIMBURSEMENT

What this section includes:

- How your Benefits are impacted if you suffer a Sickness or Injury caused by a third party.

The Plan has a right to subrogation and reimbursement, as defined below.

Right of Recovery

The Plan has the right to recover benefits it has paid on you or your Dependent's behalf that were:

- made in error;
- due to a mistake in fact;
- advanced during the time period of meeting the calendar year Deductible; or
- advanced during the time period of meeting the Out-of-Pocket Maximum for the calendar year.

Benefits paid because you or your Dependent misrepresented facts are also subject to recovery.

If the Plan provides a Benefit for you or your Dependent that exceeds the amount that should have been paid, the Plan will:

- require that the overpayment be returned when requested, or
- reduce a future benefit payment for you or your Dependent by the amount of the overpayment.

If the Plan provides an advancement of benefits to you or your Dependent during the time period of the Deductible and/or meeting the Out-of-Pocket Maximum for the calendar year, the Plan will send you or your Dependent a monthly statement identifying the amount you owe with payment instructions. The Plan has the right to recover Benefits it has advanced by:

- submitting a reminder letter to you or a covered Dependent that details any outstanding balance owed to the Plan; and
- conducting courtesy calls to you or a covered Dependent to discuss any outstanding balance owed to the Plan.

Right to Subrogation

The right to subrogation means the Plan is substituted to and shall succeed to any and all legal claims that you may be entitled to pursue against any third party for Benefits that the Plan has paid that are related to the Sickness or Injury for which a third party is considered responsible. Subrogation applies when the Plan has paid on your behalf Benefits for a

Sickness or Injury for which a third party is considered responsible, e.g. an insurance carrier if you are involved in an auto accident.

The Plan shall be subrogated to, and shall succeed to, all rights of recovery from any or all third parties, under any legal theory of any type, for 100 percent of any services and Benefits the Plan has paid on your behalf relating to any Sickness or Injury caused by any third party.

Right to Reimbursement

The right to reimbursement means that if a third party causes a Sickness or Injury for which you receive a settlement, judgment, or other recovery from any third party, you must use those proceeds to fully return to the Plan 100% of any Benefits you received for that Sickness or Injury.

Third Parties

The following persons and entities are considered third parties:

- a person or entity alleged to have caused you to suffer a Sickness, Injury or damages, or who is legally responsible for the Sickness, Injury or damages;
- any insurer or other indemnifier of any person or entity who caused the Sickness, Injury or damages;
- CBIZ Operations, Inc. in workers' compensation cases; or
- any person or entity who is or may be obligated to provide you with benefits or payments under:
 - underinsured or uninsured motorist insurance;
 - medical provisions of no-fault or traditional insurance (auto, homeowners or otherwise);
 - workers' compensation coverage; or
 - any other insurance carrier or third party administrator.

Subrogation and Reimbursement Provisions

As a Covered Person, you agree to the following:

- the Plan has a first priority right to receive payment on any claim against a third party before you receive payment from that third party.
- the Plan's subrogation and reimbursement rights apply to full and partial settlements, judgments, or other recoveries paid or payable to you or your representative, no matter how those proceeds are captioned or characterized. Payments include, but are not limited to, economic, non-economic, and punitive damages. The Plan is not required to help you to pursue your claim for damages or personal injuries, or pay any of your associated costs, including attorneys' fees. No so-called "Fund Doctrine" or "Common Fund Doctrine" or "Attorney's Fund Doctrine" shall defeat this right.
- regardless of whether you have been fully compensated or made whole, the Plan may collect from you the proceeds of any full or partial recovery that you or your legal

representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, no matter how those proceeds are captioned or characterized. Proceeds from which the Plan may collect include, but are not limited to, economic, non-economic, and punitive damages. No "collateral source" rule shall limit the Plan's subrogation and reimbursement rights.

- Benefits paid by the Plan may also be considered to be Benefits advanced.
- you will cooperate with the Plan and its agents in a timely manner to protect its legal and equitable rights to subrogation and reimbursement, including, but not limited to:
 - complying with the terms of this section;
 - providing any relevant information requested;
 - signing and/or delivering documents at its request;
 - notifying the plan, in writing, of any potential legal claim(s) you may have against any third party for acts which caused Benefits to be paid or become payable;
 - responding to requests for information about any accident or injuries;
 - appearing at medical examinations and legal proceedings, such as depositions or hearings; and
 - obtaining the Plan's consent before releasing any party from liability or payment of medical expenses.
- if you receive payment as part of a settlement or judgment from any third party as a result of a Sickness or Injury, and the Plan alleges some or all of those funds are due and owed to it, you agree to hold those settlement funds in trust, either in a separate bank account in your name or in your attorney's trust account. You agree that you will serve as a trustee over those funds to the extent of the Benefits the Plan has paid.
- if the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you.
- you may not accept any settlement that does not fully reimburse the Plan, without its written approval.
- upon the Plan's request, you will assign to the Plan all rights of recovery against third parties to the extent of Benefits the Plan has provided for a Sickness or Injury caused by a third party.
- the Plan's rights will not be reduced due to your own negligence.
- the Plan may, at its option, take necessary and appropriate action to assert its rights under this section, including filing suit in your name, which does not obligate it in any way to pay you part of any recovery the Plan might obtain.
- the provisions of this section apply to the parents, guardian, or other representative of a Dependent child who incurs a Sickness or Injury caused by a third party. If a parent or guardian may bring a claim for damages arising out of a minor's Sickness or Injury, the terms of this subrogation and reimbursement clause shall apply to that claim.
- in case of your wrongful death or survival claim, the provisions of this section apply to your estate, the personal representative of your estate, and your heirs.

- your failure to cooperate with the Plan or its agents is considered a breach of contract. As such, the Plan has the right to terminate your Benefits, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury caused by any third party to the extent not recovered by the Plan due to you or your representative not cooperating with the Plan.
- if a third party causes you to suffer a Sickness or Injury while you are covered under this Plan, the provisions of this section continue to apply, even after you are no longer a Covered Person.
- the Plan has the authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.

Subrogation – Example

Suppose you are injured in a car accident that is not your fault, and you receive Benefits under the Plan to treat your injuries. Under subrogation, the Plan has the right to take legal action in your name against the driver who caused the accident and that driver's insurance carrier to recover the cost of those Benefits.

SECTION 12 - WHEN COVERAGE ENDS

What this section includes:

- Circumstances that cause coverage to end;
- Extended coverage; and
- How to continue coverage after it ends.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date.

When your coverage ends, CBIZ Operations, Inc. will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, Benefits are not provided for health services that you receive after coverage ended, even if the underlying medical condition occurred before your coverage ended.

Your coverage under the Plan will end on the earliest of:

- the last day of the month your employment with the Company ends;
- the date the Plan ends;
- the last day of the month you stop making the required contributions;
- the last day of the month you are no longer eligible;
- the last day of the month UnitedHealthcare receives written notice from CBIZ Operations, Inc. to end your coverage, or the date requested in the notice, if later; or
- the last day of the month you retire or are pensioned under the Plan, unless specific coverage is available for retired or pensioned persons and you are eligible for that coverage.

Coverage for your eligible Dependents will end on the earliest of:

- the date your coverage ends;
- the last day of the month you stop making the required contributions;
- the last day of the month UnitedHealthcare receives written notice from CBIZ Operations, Inc. to end your coverage, or the date requested in the notice, if later; or
- the last day of the month your Dependents no longer qualify as Dependents under this Plan.

Other Events Ending Your Coverage

The Plan will provide prior written notice to you that your coverage will end on the date identified in the notice if:

- you commit an act, practice, or omission that constituted fraud, or an intentional misrepresentation of a material fact including, but not limited to, false information relating to another person's eligibility or status as a Dependent; or
- you commit an act of physical or verbal abuse that imposes a threat to CBIZ Operations, Inc.'s staff, UnitedHealthcare's staff, a provider or another Covered Person.

Note: CBIZ Operations, Inc. has the right to demand that you pay back Benefits CBIZ Operations, Inc. paid to you, or paid in your name, during the time you were incorrectly covered under the Plan.

Coverage for a Disabled Child

If an unmarried enrolled Dependent child with a mental or physical disability reaches an age when coverage would otherwise end, the Plan will continue to cover the child, as long as:

- the child is unable to be self-supporting due to a mental or physical handicap or disability;
- the child depends mainly on you for support;
- you provide to CBIZ Operations, Inc. proof of the child's incapacity and dependency within 31 days of the date coverage would have otherwise ended because the child reached a certain age; and
- you provide proof, upon CBIZ Operations, Inc.'s request, that the child continues to meet these conditions.

The proof might include medical examinations at CBIZ Operations, Inc.'s expense. However, you will not be asked for this information more than once a year. If you do not supply such proof within 31 days, the Plan will no longer pay Benefits for that child.

Coverage will continue, as long as the enrolled Dependent is incapacitated and dependent upon you, unless coverage is otherwise terminated in accordance with the terms of the Plan.

Extended Coverage for Total Disability

If a Covered Person has a Total Disability on the date their coverage under the Plan ends, their Benefits will not end automatically. The Plan will temporarily extend coverage, only for treatment of the condition causing the Total Disability. Benefits will be paid until the earlier of:

- the Total Disability ends; or
- 3 months from the date coverage would have ended.

Continuing Coverage Through COBRA

If you lose your Plan coverage, you may have the right to extend it under the Consolidated Budget Reconciliation Act of 1985 (COBRA), as defined in Section 14, *Glossary*.

Continuation coverage under COBRA is available only to Plans that are subject to the terms of COBRA. You can contact your Plan Administrator to determine if CBIZ Operations, Inc. is subject to the provisions of COBRA.

Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your Plan Administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who were covered under the Plan on the day before a qualifying event:

- an Employee;
- an Employee's enrolled Dependent, including with respect to the Employee's children, a child born to or placed for adoption with the Employee during a period of continuation coverage under federal law; or
- an Employee's former Spouse.

Qualifying Events for Continuation Coverage under COBRA

The following table outlines situations in which you may elect to continue coverage under COBRA for yourself and your Dependents, and the maximum length of time you can receive continued coverage. These situations are considered qualifying events.

If Coverage Ends Because of the Following Qualifying Events:	You May Elect COBRA:		
	For Yourself	For Your Spouse	For Your Child(ren)
Your work hours are reduced	18 months	18 months	18 months
Your employment terminates for any reason (other than gross misconduct)	18 months	18 months	18 months
You or your family member become eligible for Social Security disability benefits at any time within the first 60 days of losing coverage ¹	29 months	29 months	29 months
You die	N/A	36 months	36 months
You divorce (or legally separate)	N/A	36 months	36 months
Your child is no longer an eligible family member (e.g., reaches the maximum age limit)	N/A	N/A	36 months

If Coverage Ends Because of the Following Qualifying Events:	You May Elect COBRA:		
	For Yourself	For Your Spouse	For Your Child(ren)
You become entitled to Medicare	N/A	See table below	See table below
CBIZ Operations, Inc. files for bankruptcy under Title 11, United States Code. ²	36 months	36 months ³	36 months ³

¹Subject to the following conditions: (i) notice of the disability must be provided within the latest of 60 days after a). the determination of the disability, b). the date of the qualifying event, c). the date the Qualified Beneficiary would lose coverage under the Plan, and in no event later than the end of the first 18 months; (ii) the Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months over the original 18 months; and (iii) if the Qualified Beneficiary entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage. Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

²This is a qualifying event for any retired Employee and his or her enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

³From the date of the Employee's death if the Employee dies during the continuation coverage.

How Your Medicare Eligibility Affects Dependent COBRA Coverage

The table below outlines how your Dependents' COBRA coverage is impacted if you become entitled to Medicare.

If Dependent Coverage Ends When:	You May Elect COBRA Dependent Coverage For Up To:
You become entitled to Medicare and don't experience any additional qualifying events	18 months
You become entitled to Medicare, after which you experience a second qualifying event* before the initial 18-month period expires	36 months

If Dependent Coverage Ends When:	You May Elect COBRA Dependent Coverage For Up To:
You experience a qualifying event*, after which you become entitled to Medicare before the initial 18-month period expires; and, if absent this initial qualifying event, your Medicare entitlement would have resulted in loss of Dependent coverage under the Plan	36 months

* Your work hours are reduced or your employment is terminated for reasons other than gross misconduct.

Getting Started

You will be notified by mail if you become eligible for COBRA coverage as a result of a reduction in work hours or termination of employment. The notification will give you instructions for electing COBRA coverage, and advise you of the monthly cost. Your monthly cost is the full cost, including both Employee and Employer costs, plus a 2% administrative fee or other cost as permitted by law.

You will have up to 60 days from the date you receive notification or 60 days from the date your coverage ends to elect COBRA coverage, whichever is later. You will then have an additional 45 days to pay the cost of your COBRA coverage, retroactive to the date your Plan coverage ended.

During the 60-day election period, the Plan will, only in response to a request from a provider, inform that provider of your right to elect COBRA coverage, retroactive to the date your COBRA eligibility began.

While you are a participant in the medical Plan under COBRA, you have the right to change your coverage election:

- during Open Enrollment; and
- following a change in family status, as described under *Changing Your Coverage* in Section 2, *Introduction*.

Notification Requirements

If your covered Dependents lose coverage due to divorce, legal separation, or loss of Dependent status, you or your Dependents must notify the Plan Administrator within 60 days of the latest of:

- the date of the divorce, legal separation or an enrolled Dependent's loss of eligibility as an enrolled Dependent;
- the date your enrolled Dependent would lose coverage under the Plan; or
- the date on which you or your enrolled Dependent are informed of your obligation to provide notice and the procedures for providing such notice.

You or your Dependents must also notify the Plan Administrator when a qualifying event occurs that will extend continuation coverage.

If you or your Dependents fail to notify the Plan Administrator of these events within the 60 day period, the Plan Administrator is not obligated to provide continued coverage to the affected Qualified Beneficiary. If you are continuing coverage under federal law, you must notify the Plan Administrator within 60 days of the birth or adoption of a child.

Once you have notified the Plan Administrator, you will then be notified by mail of your election rights under COBRA.

Notification Requirements for Disability Determination

If you extend your COBRA coverage beyond 18 months because you are eligible for disability benefits from Social Security, you must provide the CBIZ Employee Service Center with notice of the Social Security Administration's determination within 60 days after you receive that determination, and before the end of your initial 18-month continuation period.

The notice requirements will be satisfied by providing written notice to the Plan Administrator at the address stated in Section 16, *Important Administrative Information: ERISA*. The contents of the notice must be such that the Plan Administrator is able to determine the covered Employee and qualified beneficiary(ies), the qualifying event or disability, and the date on which the qualifying event occurred.

Trade Act of 2002

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain Employees who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or 'alternative trade adjustment assistance' under a federal law called the Trade Act of 1974. These Employees are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If an Employee qualifies or may qualify for assistance under the Trade Act of 1974, he or she should contact the Plan Administrator for additional information. The Employee must contact the Plan Administrator promptly after qualifying for assistance under the Trade Act of 1974 or the Employee will lose his or her special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that Plan coverage was lost, but begins on the first day of the special second election period.

When COBRA Ends

COBRA coverage will end before the maximum continuation period shown above if:

- you or your covered Dependent becomes covered under another group medical plan, as long as the other plan doesn't limit your coverage due to a preexisting condition; or if the other plan does exclude coverage due to your preexisting condition, your COBRA benefits would end when the exclusion period ends;
- you or your covered Dependent becomes entitled to, and enrolls in, Medicare after electing COBRA;
- the first required premium is not paid within 45 days;
- any other monthly premium is not paid within 30 days of its due date;
- the entire Plan ends; or
- coverage would otherwise terminate under the Plan as described in the beginning of this section.

Note: If you selected continuation coverage under a prior plan which was then replaced by coverage under this Plan, continuation coverage will end as scheduled under the prior plan or in accordance with the terminating events listed in this section, whichever is earlier.

Uniformed Services Employment and Reemployment Rights Act

An Employee who is absent from employment for more than 30 days by reason of service in the Uniformed Services may elect to continue Plan coverage for the Employee and the Employee's Dependents in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA).

The terms "Uniformed Services" or "Military Service" mean the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

If qualified to continue coverage pursuant to the USERRA, Employees may elect to continue coverage under the Plan by notifying the Plan Administrator in advance, and providing payment of any required contribution for the health coverage. This may include the amount the Plan Administrator normally pays on an Employee's behalf. If an Employee's Military Service is for a period of time less than 31 days, the Employee may not be required to pay more than the regular contribution amount, if any, for continuation of health coverage.

An Employee may continue Plan coverage under USERRA for up to the lesser of:

- the 24 month period beginning on the date of the Employee's absence from work; or
- the day after the date on which the Employee fails to apply for, or return to, a position of employment.

Regardless of whether an Employee continues health coverage, if the Employee returns to a position of employment, the Employee's health coverage and that of the Employee's eligible Dependents will be reinstated under the Plan. No exclusions or waiting period may be

imposed on an Employee or the Employee's eligible Dependents in connection with this reinstatement, unless a Sickness or Injury is determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of military service.

You should call the Plan Administrator if you have questions about your rights to continue health coverage under USERRA.

SECTION 13 - OTHER IMPORTANT INFORMATION

What this section includes:

- Court-ordered Benefits for Dependent children;
- Your relationship with UnitedHealthcare and CBIZ Operations, Inc.;
- Relationships with providers;
- Interpretation of Benefits;
- Information and records;
- Incentives to providers and you;
- The future of the Plan; and

Qualified Medical Child Support Orders (QMCSOs)

A qualified medical child support order (QMCSO) is a judgment, decree or order issued by a court or appropriate state agency that requires a child to be covered for medical benefits. Generally, a QMCSO is issued as part of a paternity, divorce, or other child support settlement.

If the Plan receives a medical child support order for your child that instructs the Plan to cover the child, the Plan Administrator will review it to determine if it meets the requirements for a QMCSO. If it determines that it does, your child will be enrolled in the Plan as your Dependent, and the Plan will be required to pay Benefits as directed by the order.

You may obtain, without charge, a copy of the procedures governing QMCSOs from the Plan Administrator.

Note: A National Medical Support Notice will be recognized as a QMCSO if it meets the requirements of a QMCSO.

Your Relationship with UnitedHealthcare and CBIZ Operations, Inc.

In order to make choices about your health care coverage and treatment, CBIZ Operations, Inc. believes that it is important for you to understand how UnitedHealthcare interacts with the Plan Sponsor's benefit Plan and how it may affect you. UnitedHealthcare helps administer the Plan Sponsor's benefit Plan in which you are enrolled. UnitedHealthcare does not provide medical services or make treatment decisions. This means:

- CBIZ Operations, Inc. and UnitedHealthcare do not decide what care you need or will receive. You and your Physician make those decisions;
- UnitedHealthcare communicates to you decisions about whether the Plan will cover or pay for the health care that you may receive (the Plan pays for Covered Health Services, which are more fully described in this SPD); and

- the Plan may not pay for all treatments you or your Physician may believe are necessary. If the Plan does not pay, you will be responsible for the cost.

CBIZ Operations, Inc. and UnitedHealthcare may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. CBIZ Operations, Inc. and UnitedHealthcare will use individually identifiable information about you as permitted or required by law, including in our operations and in our research. CBIZ Operations, Inc. and UnitedHealthcare will use de-identified data for commercial purposes including research.

Relationship with Providers

The relationships between CBIZ Operations, Inc., UnitedHealthcare and Network providers are solely contractual relationships between independent contractors. Network providers are not CBIZ Operations, Inc.'s agents or employees, nor are they agents or employees of UnitedHealthcare. CBIZ Operations, Inc. and any of its employees are not agents or employees of Network providers, nor are UnitedHealthcare and any of its employees agents or employees of Network providers.

CBIZ Operations, Inc. and UnitedHealthcare do not provide health care services or supplies, nor do they practice medicine. Instead, CBIZ Operations, Inc. and UnitedHealthcare arranges for health care providers to participate in a Network and pay Benefits. Network providers are independent practitioners who run their own offices and facilities. UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided. They are not CBIZ Operations, Inc.'s employees nor are they employees of UnitedHealthcare. CBIZ Operations, Inc. and UnitedHealthcare do not have any other relationship with Network providers such as principal-agent or joint venture. CBIZ Operations, Inc. and UnitedHealthcare are not liable for any act or omission of any provider.

UnitedHealthcare is not considered to be an employer of the Plan Administrator for any purpose with respect to the administration or provision of benefits under this Plan.

CBIZ Operations, Inc. and the Plan Administrator are solely responsible for:

- enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage);
- the timely payment of Benefits; and
- notifying you of the termination or modifications to the Plan.

Your Relationship with Providers

The relationship between you and any provider is that of provider and patient. Your provider is solely responsible for the quality of the services provided to you. You:

- are responsible for choosing your own provider;

- are responsible for paying, directly to your provider, any amount identified as a member responsibility, including Copayments, Coinsurance, any Annual Deductible and any amount that exceeds Eligible Expenses;
- are responsible for paying, directly to your provider, the cost of any non-Covered Health Service;
- must decide if any provider treating you is right for you (this includes Network providers you choose and providers to whom you have been referred); and
- must decide with your provider what care you should receive.

Interpretation of Benefits

CBIZ Operations, Inc. and UnitedHealthcare have the sole and exclusive discretion to:

- interpret Benefits under the Plan;
- interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD and any Riders and/or Amendments; and
- make factual determinations related to the Plan and its Benefits.

CBIZ Operations, Inc. and UnitedHealthcare may delegate this discretionary authority to other persons or entities that provide services in regard to the administration of the Plan.

In certain circumstances, for purposes of overall cost savings or efficiency, CBIZ Operations, Inc. may, in its discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that CBIZ Operations, Inc. does so in any particular case shall not in any way be deemed to require CBIZ Operations, Inc. to do so in other similar cases.

Information and Records

CBIZ Operations, Inc. and UnitedHealthcare may use your individually identifiable health information to administer the Plan and pay claims, to identify procedures, products, or services that you may find valuable, and as otherwise permitted or required by law. CBIZ Operations, Inc. and UnitedHealthcare may request additional information from you to decide your claim for Benefits. CBIZ Operations, Inc. and UnitedHealthcare will keep this information confidential. CBIZ Operations, Inc. and UnitedHealthcare may also use your de-identified data for commercial purposes, including research, as permitted by law.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish CBIZ Operations, Inc. and UnitedHealthcare with all information or copies of records relating to the services provided to you. CBIZ Operations, Inc. and UnitedHealthcare have the right to request this information at any reasonable time. This applies to all Covered Persons, including enrolled Dependents whether or not they have signed the Employee's enrollment form. CBIZ Operations, Inc. and UnitedHealthcare agree that such information and records will be considered confidential.

CBIZ Operations, Inc. and UnitedHealthcare have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as CBIZ Operations, Inc. is required to do by law or regulation. During and after the term of the Plan, CBIZ Operations, Inc. and UnitedHealthcare and its related entities may use and transfer the information gathered under the Plan in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your medical records or billing statements CBIZ Operations, Inc. recommends that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from UnitedHealthcare, they also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, CBIZ Operations, Inc. and UnitedHealthcare will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. Our designees have the same rights to this information as does the Plan Administrator.

Incentives to Providers

Network providers may be provided financial incentives by UnitedHealthcare to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- bonuses for performance based on factors that may include quality, member satisfaction, and/or cost-effectiveness; or
- a practice called capitation which is when a group of Network providers receives a monthly payment from UnitedHealthcare for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.

If you have any questions regarding financial incentives you may contact the telephone number on your ID card. You can ask whether your Network provider is paid by any financial incentive, including those listed above; however, the specific terms of the contract, including rates of payment, are confidential and cannot be disclosed. In addition, you may choose to discuss these financial incentives with your Network provider.

Incentives to You

Sometimes you may be offered coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs. The decision about whether or not to participate is yours alone but CBIZ Operations, Inc. recommends that you discuss participating in such programs with your Physician. These incentives are not Benefits

and do not alter or affect your Benefits. You may call the number on the back of your ID card if you have any questions.

Rebates and Other Payments

CBIZ Operations, Inc. and UnitedHealthcare may receive rebates for certain drugs that are administered to you in a Physician's office, or at a Hospital or Alternate Facility. This includes rebates for those drugs that are administered to you before you meet your Annual Deductible. CBIZ Operations, Inc. and UnitedHealthcare do not pass these rebates on to you, nor are they applied to your Annual Deductible or taken into account in determining your Copays or Coinsurance.

Workers' Compensation Not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Future of the Plan

Although the Company expects to continue the Plan indefinitely, it reserves the right to discontinue, alter or modify the Plan in whole or in part, at any time and for any reason, at its sole determination.

The Company's decision to terminate or amend a Plan may be due to changes in federal or state laws governing employee benefits, the requirements of the Internal Revenue Code or Employee Retirement Income Security Act of 1974 (ERISA), or any other reason. A plan change may transfer plan assets and debts to another plan or split a plan into two or more parts. If the Company does change or terminate a plan, it may decide to set up a different plan providing similar or different benefits.

If this Plan is terminated, Covered Persons will not have the right to any other Benefits from the Plan, other than for those claims incurred prior to the date of termination, or as otherwise provided under the Plan. In addition, if the Plan is amended, Covered Persons may be subject to altered coverage and Benefits.

The amount and form of any final benefit you receive will depend on any Plan document or contract provisions affecting the Plan and Company decisions. After all Benefits have been paid and other requirements of the law have been met, certain remaining Plan assets will be turned over to the Company and others as may be required by any applicable law.

Plan Document

This Summary Plan Description (SPD) represents an overview of your Benefits. In the event there is a discrepancy between the SPD and the official plan document, the plan document will govern. A copy of the plan document is available for your inspection during regular business hours in the office of the Plan Administrator. You (or your personal representative) may obtain a copy of this document by written request to the Plan Administrator, for a nominal charge.

SECTION 14 - GLOSSARY

What this section includes:

- Definitions of terms used throughout this SPD.

Many of the terms used throughout this SPD may be unfamiliar to you or have a specific meaning with regard to the way the Plan is administered and how Benefits are paid. This section defines terms used throughout this SPD, but it does not describe the Benefits provided by the Plan.

Addendum – any attached written description of additional or revised provisions to the Plan. The benefits and exclusions of this SPD and any amendments thereto shall apply to the Addendum except that in the case of any conflict between the Addendum and SPD and/or Amendments to the SPD, the Addendum shall be controlling.

Alternate Facility – a health care facility that is not a Hospital and that provides one or more of the following services on an outpatient basis, as permitted by law:

- surgical services;
- Emergency Health Services; or
- rehabilitative, laboratory, diagnostic or therapeutic services.

An Alternate Facility may also provide Mental Health or Substance Use Disorder Services on an outpatient basis or inpatient basis (for example a Residential Treatment Facility).

Amendment – any attached written description of additional or alternative provisions to the Plan. Amendments are effective only when distributed by the Plan Sponsor or the Plan Administrator. Amendments are subject to all conditions, limitations and exclusions of the Plan, except for those that the amendment is specifically changing.

Annual Deductible (or Deductible) – the amount you must pay for Covered Health Services in a calendar year before the Plan will begin paying Benefits in that calendar year. The Deductible is shown in the first table in Section 5, *Plan Highlights*. The Deductible applies to all Covered Health Services under the Plan, including Covered Health Services provided in Section 15, *Prescription Drugs*.

Autism Spectrum Disorders – a group of neurobiological disorders that includes *Autistic Disorder*, *Rhett's Syndrome*, *Asperger's Disorder*, *Childhood Disintegrated Disorder*, and *Pervasive Development Disorders Not Otherwise Specified (PDDNOS)*.

Benefits – Plan payments for Covered Health Services, subject to the terms and conditions of the Plan and any Addendums and/or Amendments.

- specialized consulting services, on a limited basis, to Employees and enrolled Dependents with cancer;
- access to cancer centers with expertise in treating the most rare or complex cancers; and
- education to help patients understand their cancer and make informed decisions about their care and course of treatment.

CHD – see Congenital Heart Disease (CHD).

Claims Administrator – UnitedHealthcare (also known as UnitedHealthcare Insurance Company) and its affiliates, who provide certain claim administration services for the Plan.

Coinsurance – the percentage of Eligible Expenses you are required to pay for certain Covered Health Services as described in Section 3, *How the Plan Works*.

- be passed from a parent to a child (inherited);
- develop in the fetus of a woman who has an infection or is exposed to radiation or other toxic substances during her Pregnancy; or
- have no known cause.

Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) – a federal law that requires employers to offer continued health insurance coverage to certain employees and their dependents whose group health insurance has been terminated.

Copayment (or Copay) – the set dollar amount you are required to pay for certain Covered Health Services as described in Section 3, *How the Plan Works*.

Cosmetic Procedures – procedures or services that change or improve appearance without significantly improving physiological function, as determined by the Claims Administrator. Reshaping a nose with a prominent bump is a good example of a Cosmetic Procedure because appearance would be improved, but there would be no improvement in function like breathing.

Cost-Effective – the least expensive equipment that performs the necessary function. This term applies to Durable Medical Equipment and prosthetic devices.

Covered Health Services – those health services, including services, supplies or Pharmaceutical Products, which CBIZ Operations, Inc. determines to be:

- provided for the purpose of preventing, diagnosing or treating Sickness, Injury, Mental Illness, Substance Use Disorders, or their symptoms;

- not provided for the convenience of the Covered Person, Physician, facility or any other person;
- included in Sections 5 and 6, Plan Highlights and Additional Coverage Details;
- provided to a Covered Person who meets the Plan's eligibility requirements, as described under *Eligibility* in Section 2, *Introduction*; and
- not identified in Section 8, *Exclusions*.

In applying the above definition, "scientific evidence" and "prevailing medical standards" have the following meanings:

- "scientific evidence" means the results of controlled Clinical Trials or other studies published in peer-reviewed, medical literature generally recognized by the relevant medical specialty community; and
- "prevailing medical standards and clinical guidelines" means nationally recognized professional standards of care including, but not limited to, national consensus statements, nationally recognized clinical guidelines, and national specialty society guidelines.

The Claims Administrator maintains clinical protocols that describe the scientific evidence, prevailing medical standards and clinical guidelines supporting its determinations regarding specific services. You can access these clinical protocols (as revised from time to time) on www.myuhc.com or by calling the number on the back of your ID card. This information is available to Physicians and other health care professionals on UnitedHealthcareOnline.

- provide assistance in activities of daily living (including but not limited to feeding, dressing, bathing, ostomy care, incontinence care, checking of routine vital signs, transferring and ambulating);

- are provided for the primary purpose of meeting the personal needs of the patient or maintaining a level of function (even if the specific services are considered to be skilled services), as opposed to improving that function to an extent that might allow for a more independent existence; or
- do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

Deductible – see Annual Deductible.

Dependent – an individual who meets the eligibility requirements specified in the Plan, as described under *Eligibility* in Section 2, *Introduction*. A Dependent does not include anyone who is also enrolled as an Employee. No one can be a Dependent of more than one Employee.

A Designated Facility may or may not be located within your geographic area.

To be considered a Designated Facility, a facility must meet certain standards of excellence and have a proven track record of treating specific conditions.

- be at least 18 years old;
- live together and share the common necessities of life;
- be mentally competent to enter into a contract; and
- be financially interdependent.

The Employee and Domestic Partner must jointly sign an affidavit of domestic partnership provided by the CBIZ Employee Service Center upon your request.

Domiciliary Care – living arrangements designed to meet the needs of people who cannot live independently but do not require Skilled Nursing Facility services.

Durable Medical Equipment (DME) – medical equipment that is all of the following:

- used to serve a medical purpose with respect to treatment of a Sickness, Injury or their symptoms;
- not disposable;
- not of use to a person in the absence of a Sickness, Injury or their symptoms;
- durable enough to withstand repeated use;
- not implantable within the body; and

In that case, Eligible Expenses are the amounts billed by the provider, unless the Claims Administrator negotiates lower rates.</p>

For certain Covered Health Services, you are required to pay a percentage of Eligible Expenses in the form of a Copay and/or Coinsurance.

Eligible Expenses are subject to the Claims Administrator's reimbursement policy guidelines. You may request a copy of the guidelines related to your claim from the Claims Administrator.

Emergency – a serious medical condition or symptom resulting from Injury, Sickness or Mental Illness, or Substance Use Disorders which:

- arises suddenly; and
- in the judgment of a reasonable person, requires immediate care and treatment, generally received within 24 hours of onset, to avoid jeopardy to life or health.

Emergency Health Services – health care services and supplies necessary for the treatment of an Emergency.

- not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use;
- subject to review and approval by any institutional review board for the proposed use (Devices which are FDA approved under the *Humanitarian Use Device* exemption are not considered to be Experimental or Investigational); or
- the subject of an ongoing Clinical Trial that meets the definition of a Phase 1, 2 or 3 Clinical Trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight.

Exceptions:

- If you have a life threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment), UnitedHealthcare may, at its discretion, consider an otherwise Experimental or Investigational Service to be a Covered Health Service for that Sickness or condition. Prior to such consideration, UnitedHealthcare must determine that, although unproven, the service has significant potential as an effective treatment for that Sickness or condition, and that the service would be provided under standards equivalent to those defined by the National Institutes of Health.

Explanation of Benefits (EOB) – a statement provided by UnitedHealthcare to you, your Physician, or another health care professional that explains:

- the Benefits provided (if any);
- the allowable reimbursement amounts;
- Deductibles;
- Coinsurance;
- any other reductions taken;

- the reason(s) why the service or supply was not covered by the Plan.

Health Statement(s) – a single, integrated statement that summarizes EOB information by providing detailed content on account balances and claim activity.

Home Health Agency – a program or organization authorized by law to provide health care services in the home.

Hospital – an institution, operated as required by law, which is:

- primarily engaged in providing health services, on an inpatient basis, for the acute care and treatment of sick or injured individuals. Care is provided through medical, mental health, substance use disorders, diagnostic and surgical facilities, by or under the supervision of a staff of Physicians; and
- has 24 hour nursing services.

A Hospital is not primarily a place for rest, Custodial Care or care of the aged and is not a Skilled Nursing Facility, convalescent home or similar institution.

Injury – bodily damage other than Sickness, including all related conditions and recurrent symptoms.

Inpatient Rehabilitation Facility – a Hospital (or a special unit of a Hospital that is designated as an Inpatient Rehabilitation Facility) that provides physical therapy, occupational therapy and/or speech therapy on an inpatient basis, as authorized by law.

Mental Health Services – Covered Health Services for the diagnosis and treatment of Mental Illnesses. The fact that a condition is listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment for the condition is a Covered Health Service.

Mental Health/Substance Use Disorder (MH/SUD) Administrator – the organization or individual designated by CBIZ Operations, Inc. who provides or arranges Mental Health and Substance Use Disorder Services under the Plan.

Mental Illness – mental health or psychiatric diagnostic categories listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association*, unless they are listed in Section 8, *Exclusions*.

Neonatal Resource Services (NRS) - a program administered by UnitedHealthcare or its affiliates made available to you by CBIZ Operations, Inc. The NRS program provides guided access to a network of credentialed NICU providers and specialized nurse consulting services to help manage NICU admissions.

Network – when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with the Claims Administrator or with its affiliate to participate in the Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services by way of their participation in the Shared Savings Program. The Claims Administrator's affiliates are those entities affiliated with the Claims Administrator through common ownership or control with the Claims Administrator or with the Claims Administrator's ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.

Network Benefits - description of how Benefits are paid for Covered Health Services provided by Network provider. Refer to Section 5, *Plan Highlights* for details about how Network Benefits apply.

Partial Hospitalization/Day Treatment – a structured ambulatory program that may be a free-standing or Hospital-based program and that provides services for at least 20 hours per week.

Personal Health Support – programs provided by the Claims Administrator that focus on prevention, education, and closing the gaps in care designed to encourage an efficient system of care for you and your covered Dependents.

Personal Health Support Nurse – the primary nurse that UnitedHealthcare may assign to you if you have a chronic or complex health condition. If a Personal Health Support Nurse is assigned to you, this nurse will call you to assess your progress and provide you with information and education.

Pharmaceutical Products – FDA-approved prescription pharmaceutical products administered in connection with a Covered Health Service by a Physician or other health care provider within the scope of the provider’s license, and not otherwise excluded under the Plan.

Physician – any Doctor of Medicine or Doctor of Osteopathy who is properly licensed and qualified by law.

Please note: Any podiatrist, dentist, psychologist, chiropractor, optometrist or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that a provider is described as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

Plan – The CBIZ Operations, Inc. Medical Plan.

Plan Administrator – CBIZ Operations, Inc. or its designee.

Plan Sponsor – CBIZ Operations, Inc.

Pregnancy – includes prenatal care, postnatal care, childbirth, and any complications associated with Pregnancy.

Primary Physician – a Physician who has a majority of his or her practice in general pediatrics, internal medicine, family practice or general medicine. For Mental Health Services and Substance Use Disorder Services, any licensed clinician is considered on the same basis as a Primary Physician.

- no skilled services are identified;
- skilled nursing resources are available in the facility;
- the skilled care can be provided by a Home Health Agency on a per visit basis for a specific purpose; or
- the service is provided to a Covered Person by an independent nurse who is hired directly by the Covered Person or his/her family. This includes nursing services provided on an inpatient or a home-care basis, whether the service is skilled or non-skilled independent nursing.

Reconstructive Procedure – a procedure performed to address a physical impairment where the expected outcome is restored or improved function. The primary purpose of a Reconstructive Procedure is either to treat a medical condition or to improve or restore physiologic function. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not changed or improved physical appearance. The fact that a person may suffer psychologically as a result of the impairment does not classify surgery or any other procedure done to relieve the impairment as a Reconstructive Procedure.

Residential Treatment Facility – a facility which provides a program of effective Mental Health Services or Substance Use Disorder Services treatment and which meets all of the following requirements:

- it is established and operated in accordance with applicable state law for residential treatment programs;
- it provides a program of treatment under the active participation and direction of a Physician and approved by the Mental Health/Substance Use Disorder Administrator;
- it has or maintains a written, specific and detailed treatment program requiring full-time residence and full-time participation by the patient; and
- it provides at least the following basic services in a 24-hour per day, structured milieu:
 - room and board;
 - evaluation and diagnosis;
 - counseling; and
 - referral and orientation to specialized community resources.

A Residential Treatment Facility that qualifies as a Hospital is considered a Hospital.

Semi-private Room - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service, the difference in cost between a Semi-private Room and a private room is a benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

Shared Savings Program - the Shared Savings Program provides access to discounts from non-Network Physicians who participate in that program. UnitedHealthcare will use the Shared Savings Program to pay claims when doing so will lower Eligible Expenses. While UnitedHealthcare might negotiate lower Eligible Expenses for non-Network Benefits, the Coinsurance will stay the same as described in Section 5, *Plan Highlights*.

UnitedHealthcare does not credential the Shared Savings Program providers and the Shared Savings Program providers are not Network providers. Accordingly, in benefit plans that have both Network and non-Network levels of Benefits, Benefits for Covered Health Services provided by Shared Savings Program providers will be paid at the non-Network Benefit level (except in situations when Benefits for Covered Health Services provided by non-Network providers are payable at Network Benefit levels, as in the case of Emergency Health Services). When UnitedHealthcare uses the Shared Savings Program to pay a claim, the patient responsibility is limited to Coinsurance calculated on the contracted rate paid to the provider, in addition to any required Annual Deductible.

Sickness – physical illness, disease or Pregnancy. The term Sickness as used in this SPD does not include Mental Illness or Substance Use Disorder, regardless of the cause or origin of the Mental Illness or Substance Use Disorder.

Skilled Care – skilled nursing, teaching, and rehabilitation services when:

- they are delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome and provide for the safety of the patient;
- a Physician orders them;
- they are not delivered for the purpose of assisting with activities of daily living, including, but not limited to, dressing, feeding, bathing or transferring from a bed to a chair;
- they require clinical training in order to be delivered safely and effectively; and
- they are not Custodial Care, as defined in this section.

Skilled Nursing Facility – a nursing facility that is licensed and operated as required by law. A Skilled Nursing Facility that is part of a Hospital is considered a Skilled Nursing Facility for purposes of the Plan.

Specialist Physician - a Physician who has a majority of his or her practice in areas other than general pediatrics, internal medicine, family practice or general medicine.

Spouse – an individual to whom you are legally married or a Domestic Partner as defined in this section.

Substance Use Disorder Services - Covered Health Services for the diagnosis and treatment of alcoholism and substance use disorders that are listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association*, unless those services are specifically excluded.

Total Disability – an Employee's inability to perform all substantial job duties because of physical or mental impairment, or a Dependent's inability to perform the normal activities of a person of like age and gender.

Transitional Care – Mental Health Services/Substance Use Disorder Services that are provided through transitional living facilities, group homes and supervised apartments that provide 24-hour supervision that are either:

- sober living arrangements such as drug-free housing, alcohol/drug halfway houses. These are transitional, supervised living arrangements that provide stable and safe housing, an alcohol/drug-free environment and support for recovery. A sober living arrangement may be utilized as an adjunct to ambulatory treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery; or
- supervised living arrangement which are residences such as transitional living facilities, group homes and supervised apartments that provide members with stable and safe housing and the opportunity to learn how to manage their activities of daily living. Supervised living arrangements may be utilized as an adjunct to treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.

UnitedHealth Premium Program – a program that identifies network Physicians or facilities that have been designated as a UnitedHealth Premium Program Physician or facility for certain medical conditions.

To be designated as a UnitedHealth Premium provider, Physicians and facilities must meet program criteria. The fact that a Physician or facility is a Network Physician or facility does not mean that it is a UnitedHealth Premium Program Physician or facility.

Unproven Services – health services, including medications that are determined not to be effective for treatment of the medical condition and/or not to have a beneficial effect on health outcomes due to insufficient and inadequate clinical evidence from well-conducted randomized controlled trials or cohort studies in the prevailing published peer-reviewed medical literature:

- Well-conducted randomized controlled trials are two or more treatments compared to each other, with the patient not being allowed to choose which treatment is received.
- Well-conducted cohort studies are studies in which patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.

UnitedHealthcare has a process by which it compiles and reviews clinical evidence with respect to certain health services. From time to time, UnitedHealthcare issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice. You can view these policies at www.myuhc.com.

Please note:

- If you have a life threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment), UnitedHealthcare may, at its discretion, consider an otherwise Unproven Service to be a Covered Health Service for that Sickness or condition. Prior to such a consideration, UnitedHealthcare must first establish that there is sufficient evidence to conclude that, albeit unproven, the service has significant potential as an effective treatment for that Sickness or condition, and that the service would be provided under standards equivalent to those defined by the National Institutes of Health.
- UnitedHealthcare may, in its discretion, consider an otherwise Unproven Service to be a Covered Health Service for a Covered Person with a Sickness or Injury that is not life-threatening. For that to occur, all of the following conditions must be met:
 - If the service is one that requires review by the *U.S. Food and Drug Administration* (FDA), it must be FDA-approved.
 - It must be performed by a Physician and in a facility with demonstrated experience and expertise.
 - The Covered Person must consent to the procedure acknowledging that UnitedHealthcare does not believe that sufficient clinical evidence has been published in peer-reviewed medical literature to conclude that the service is safe and/or effective.

- At least two studies must be available in published peer-reviewed medical literature that would allow UnitedHealthcare to conclude that the service is promising but unproven.
- The service must be available from a Network Physician and/or a Network facility.

The decision about whether such a service can be deemed a Covered Health Service is solely at UnitedHealthcare's discretion. Other apparently similar promising but unproven services may not qualify.

Urgent Care – treatment of an unexpected Sickness or Injury that is not life-threatening but requires outpatient medical care that cannot be postponed. An urgent situation requires prompt medical attention to avoid complications and unnecessary suffering, such as high fever, a skin rash, or an ear infection.

Urgent Care Center – a facility that provides Urgent Care services, as previously defined in this section. In general, Urgent Care Centers:

- do not require an appointment;
- are open outside of normal business hours, so you can get medical attention for minor illnesses that occur at night or on weekends; and
- provide an alternative if you need immediate medical attention, but your Physician cannot see you right away.

SECTION 15 - PRESCRIPTION DRUGS

For detailed descriptions of your Benefits, refer to *Retail* and *Mail Order* in this section.

Note: An Annual Prescription Drug Deductible applies to your Network Benefits under the Prescription Drug plan. This deductible is separate from the Annual Deductible for your medical coverage. Copays do not apply toward the Annual Prescription Drug Deductible.

Note: The Coordination of Benefits provision described in Section 10, *Coordination of Benefits (COB)* applies to covered Prescription Drugs as described in this section. Benefits for Prescription Drugs will be coordinated with those of any other health plan in the same manner as Benefits for Covered Health Services described in this SPD.

Enhanced Benefit Program

CBIZ offers a value based program for employees and dependents with certain chronic conditions. This program waives the Annual Drug Deductible and reduces the Copays for certain Prescription Drugs.

The conditions covered under this program are as follows:

- * asthma
- * diabetes
- * coronary artery disease.

You can print a copy of the Prescription Drugs covered under this program from the CBIZ Employee Service Center website at www.cbizesc.com. Or, you may contact the customer service number on your ID card and request a copy of the list.

For **2011**, the Annual Prescription Drug Deductible will be waived and reduced Copays may apply to Employees and/or Dependents who are taking a prescription drug on the approved list to prevent or treat one of the conditions listed above.

The reduced Prescription Drug Copayments under the Enhanced Benefit Program are:

Prescription Drugs from a Retail Network Pharmacy

For up to a 31-day supply, your Copayment is:

- \$5.00 per Prescription Drug order or refill for a **Tier-1 Prescription Drug**
- \$15.00 per Prescription Drug order or refill for a **Tier-2 Prescription Drug**
- \$50.00 per Prescription Drug order or refill for a **Tier-3 Prescription Drug**

Prescription Drug Products from a Home Delivery Network Pharmacy

For up to a 90-day supply, your Copayment is:

- \$12.50 per Prescription Drug order or refill for a **Tier-1 Prescription Drug**
- \$37.50 per Prescription Drug order or refill for a **Tier-2 Prescription Drug**
- \$125.00 per Prescription Drug order or refill for a **Tier-3 Prescription Drug**

If you have questions about the Enhanced Benefit Program or the criteria, please contact the customer service number on your ID card. CBIZ reserves the right to modify or terminate this Enhanced Benefit Program at any time.

Identification Card (ID Card) – Network Pharmacy

You must either show your ID card at the time you obtain your Prescription Drug at a Network Pharmacy or you must provide the Network Pharmacy with identifying information that can be verified by the Claims Administrator during regular business hours.

If you don't show your ID card or provide verifiable information at a Network Pharmacy, you will be required to pay the Usual and Customary Charge for the Prescription Drug at the pharmacy.

Benefit Levels

Benefits are available for outpatient Prescription Drugs that are considered Covered Health Services.

The Plan pays Benefits at different levels for tier-1, tier-2 and tier-3 Prescription Drugs. All Prescription Drugs covered by the Plan are categorized into these three tiers on the Prescription Drug List (PDL). The tier status of a Prescription Drug can change periodically, generally quarterly but no more than six times per calendar year, based on the Prescription Drug List Management Committee's periodic tiering decisions. When that occurs, you may pay more or less for a Prescription Drug, depending on its tier assignment. Since the PDL may change periodically, you can visit **www.myuhc.com** or call UnitedHealthcare at the toll-free number on your ID card for the most current information.

Each tier is assigned a Copay, which is the amount you pay when you visit the pharmacy or order your medications through mail order. Your Copay will also depend on whether or not you visit the pharmacy or use the mail order service - see the table shown at the beginning of this section for further details. Here's how the tier system works:

- Tier-1 is your lowest Copay option. For the lowest out-of-pocket expense, you should consider tier-1 drugs if you and your Physician decide they are appropriate for your treatment.
- Tier-2 is your middle Copay option. Consider a tier-2 drug if no tier-1 drug is available to treat your condition.

- Tier-3 is your highest Copay option. The drugs in tier-3 are usually more costly. Sometimes there are alternatives available in tier-1 or tier-2.

For Prescription Drugs at a retail Network Pharmacy, you are responsible for paying the lower of:

- the applicable Copay;
- the Network Pharmacy's Usual and Customary Charge for the Prescription Drug; or
- the Prescription Drug Cost that UnitedHealthcare agreed to pay the Network Pharmacy.

For Prescription Drugs from a mail order Network Pharmacy, you are responsible for paying the lower of:

- the applicable Copay; or
- the Prescription Drug cost for that particular Prescription Drug.

Retail

The Plan has a Network of participating retail pharmacies, which includes many large drug store chains. You can obtain information about Network Pharmacies by contacting UnitedHealthcare at the toll-free number on your ID card or by logging onto **www.myuhc.com**.

To obtain your prescription from a retail pharmacy, simply present your ID card and pay the Copay. The Plan pays Benefits for certain covered Prescription Drugs:

- as written by a Physician;
- up to a consecutive 31-day supply, unless adjusted based on the drug manufacturer's packaging size or based on supply limits;
- when a Prescription Drug is packaged or designed to deliver in a manner that provides more than a consecutive 31-day supply, the Copay that applies will reflect the number of days dispensed; and
- a one-cycle supply of an oral contraceptive. You may obtain up to three cycles at one time if you pay a Copay for each cycle supplied.

Note: Pharmacy Benefits apply only if your prescription is for a Covered Health Service, and not for Experimental or Investigational, or Unproven Services. Otherwise, you are responsible for paying 100% of the cost.

Mail Order

The mail order service may allow you to purchase up to a 90-day supply of a covered maintenance drug through the mail. Maintenance drugs help in the treatment of chronic illnesses, such as heart conditions, allergies, high blood pressure, and arthritis.

To use the mail order service, all you need to do is complete a patient profile and enclose your prescription order or refill. Your medication, plus instructions for obtaining refills, will arrive by mail about 14 days after your order is received. If you need a patient profile form, or if you have any questions, you can reach UnitedHealthcare at the toll-free number on your ID card.

The Plan pays mail order Benefits for certain covered Prescription Drugs:

- as written by a Physician; and
- up to a consecutive 90-day supply, unless adjusted based on the drug manufacturer's packaging size or based on supply limits.

Note: To maximize your benefit, ask your Physician to write your prescription order or refill for a 90-day supply, with refills when appropriate. You will be charged a mail order Copay for any prescription order or refill if you use the mail order service, regardless of the number of days' supply that is written on the order or refill. Be sure your Physician writes your mail order or refill for a 90-day supply, not a 30-day supply with three refills.

Designated Pharmacy

If you require certain Prescription Drugs, UnitedHealthcare may direct you to a Designated Pharmacy with whom it has an arrangement to provide those Prescription Drugs.

Specialty Prescription Drugs

You may fill a prescription for Specialty Prescription Drugs up to two times at any Network Pharmacy. However, after that you will be directed to a Designated Pharmacy and if you choose not to obtain your Specialty Prescription Drugs from a Designated Pharmacy, no Benefits will be paid and you will be responsible for paying all charges.

Please see the Prescription Drug Glossary in this section for definitions of Specialty Prescription Drug and Designated Pharmacy.

Select Designated Pharmacy

You may fill a prescription for a Select Prescription Drug up to two times at any retail Network Pharmacy. However, after that you will be directed to a Designated Pharmacy. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug from a Designated Pharmacy, no Benefits will be paid and you will be responsible for paying all charges.

For more information, visit **myuhc.com** or call UnitedHealthcare at the toll-free number on your ID card.

Please see the Prescription Drug Glossary in this section for the definition of Select Prescription Drug.

Assigning Prescription Drugs to the PDL

UnitedHealthcare's Prescription Drug List (PDL) Management Committee makes the final approval of Prescription Drug placement in tiers. In its evaluation of each Prescription Drug, the PDL Management Committee takes into account a number of factors including, but not limited to, clinical and economic factors. Clinical factors may include:

- evaluations of the place in therapy;
- relative safety and efficacy; and
- whether supply limits or notification requirements should apply.

Economic factors may include:

- the acquisition cost of the Prescription Drug; and
- available rebates and assessments on the cost effectiveness of the Prescription Drug.

Some Prescription Drugs are most cost effective for specific indications as compared to others, therefore, a Prescription Drug may be listed on multiple tiers according to the indication for which the Prescription Drug was prescribed.

When considering a Prescription Drug for tier placement, the PDL Management Committee reviews clinical and economic factors regarding Covered Persons as a general population. Whether a particular Prescription Drug is appropriate for an individual Covered Person is a determination that is made by the Covered Person and the prescribing Physician.

The PDL Management Committee may periodically change the placement of a Prescription Drug among the tiers. These changes will not occur more than six times per calendar year and may occur without prior notice to you.

Prescription Drug, Prescription Drug List (PDL), and Prescription Drug List (PDL) Management Committee are defined at the end of this section.

Prescription Drug List (PDL)

The Prescription Drug List (PDL) is a tool that helps guide you and your Physician in choosing the medications that allow the most effective and affordable use of your Prescription Drug benefit.

Notification Requirements

Before certain Prescription Drugs are dispensed to you, it is the responsibility of your Physician, your pharmacist or you to notify UnitedHealthcare. UnitedHealthcare will determine if the Prescription Drug is:

- a Covered Health Service as defined by the Plan; and
- not Experimental or Investigational or Unproven, as defined in Section 14, *Glossary*.

Network Pharmacy Notification

When Prescription Drugs are dispensed at a Network Pharmacy, the prescribing provider, the pharmacist, or you are responsible for notifying the Claims Administrator.

If UnitedHealthcare is not notified before the Prescription Drug is dispensed, you may pay more for that Prescription Drug order or refill. You will be required to pay for the Prescription Drug at the time of purchase. If UnitedHealthcare is not notified before you purchase the Prescription Drug, you can request reimbursement after you receive the Prescription Drug - see Section 9, *Claims Procedures*, for information on how to file a claim.

When you submit a claim on this basis, you may pay more because you did not notify the Claims Administrator before the Prescription Drug was dispensed. The amount you are reimbursed will be based on the Prescription Drug Cost (for Prescription Drugs from a Network Pharmacy), less the required Copayment and any Deductible that applies.

To determine if a Prescription Drug requires notification, either visit **www.myuhc.com** or call the toll-free number on your ID card. The Prescription Drugs requiring notification are subject to UnitedHealthcare's periodic review and modification.

Benefits may not be available for the Prescription Drug after the Claims Administrator reviews the documentation provided and determines that the Prescription Drug is not a Covered Health Service or it is an Experimental or Investigational or Unproven Service.

Prescription Drug Benefit Claims

For Prescription Drug claims procedures, please refer to Section 9, *Claims Procedures*.

Limitation on Selection of Pharmacies

If the Claims Administrator determines that you may be using Prescription Drugs in a harmful or abusive manner, or with harmful frequency, your selection of Network Pharmacies may be limited. If this happens, you may be required to select a single Network Pharmacy that will provide and coordinate all future pharmacy services. Benefits will be paid only if you use the designated single Network Pharmacy. If you don't make a selection within 31 days of the date the Plan Administrator notifies you, the Claims Administrator will select a single Network Pharmacy for you.

Supply Limits

Some Prescription Drugs are subject to supply limits that may restrict the amount dispensed per prescription order or refill. To determine if a Prescription Drug has been assigned a maximum quantity level for dispensing, either visit **www.myuhc.com** or call the toll-free number on your ID card. Whether or not a Prescription Drug has a supply limit is subject to UnitedHealthcare's periodic review and modification.

Note: Some products are subject to additional supply limits based on criteria that the Plan Administrator and the Claims Administrator have developed, subject to periodic review and modification. The limit may restrict the amount dispensed per prescription order or refill and/or the amount dispensed per month's supply.

If a Brand-name Drug Becomes Available as a Generic

If a Brand-name Prescription Drug becomes available as a Generic drug, the tier placement of the Brand-name Drug may change. As a result, your Copay may change. You will pay the Copay applicable for the tier to which the Prescription Drug is assigned.

Special Programs

CBIZ Operations, Inc. and UnitedHealthcare may have certain programs in which you may receive an enhanced or reduced benefit based on your actions such as adherence/compliance to medication regimens. You may access information on these programs through the Internet at **www.myuhc.com** or by calling the number on the back of your ID card.

Rebates and Other Discounts

UnitedHealthcare may, at times, receive rebates for certain drugs on the PDL, including those drugs that you purchase prior to meeting your Annual Deductible. UnitedHealthcare does not pass these rebates and other discounts on to you and does not apply them toward your Annual Deductible.

The Claims Administrator and a number of its affiliated entities, conduct business with various pharmaceutical manufacturers separate and apart from this Prescription Drug section. Such business may include, but is not limited to, data collection, consulting, educational grants and research. Amounts received from pharmaceutical manufacturers pursuant to such arrangements are not related to this Prescription Drug section. The Claims Administrator is not required to pass on to you, and does not pass on to you, such amounts.

Coupons, Incentives and Other Communications

UnitedHealthcare may send mailings to you or your Physician that communicate a variety of messages, including information about Prescription Drugs. These mailings may contain coupons or offers from pharmaceutical manufacturers that allow you to purchase the described Prescription Drug at a discount or to obtain it at no charge. Pharmaceutical manufacturers may pay for and/or provide the content for these mailings. Only your Physician can determine whether a change in your Prescription order or refill is appropriate for your medical condition.

- receive information about Plan Benefits;
- examine, without charge, at the Plan Administrator's office and at other specified worksites, all plan documents – including pertinent insurance contracts, collective bargaining agreements (if applicable), and other documents available at the Public Disclosure Room of the Employee Benefits Security Administration; and
- obtain copies of all Plan documents and other Plan information, including insurance contracts and collective bargaining agreements (if applicable), and updated Summary Plan Descriptions, by writing to the Plan Administrator. The Plan Administrator may make a reasonable charge for copies.

You can continue health care coverage for yourself, Spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this Summary Plan Description and the Plan documents to understand the rules governing your COBRA continuation coverage rights.

You will be provided a certificate of creditable coverage in writing, free of charge, from UnitedHealthcare:

- when you lose coverage under the Plan;

You may request a certificate of creditable coverage by calling the toll-free number on your ID card.

In addition to creating rights for Plan participants, ERISA imposes duties on the people who are responsible for the operation of the Plan. The people who operate your Plan, who are called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Plan Benefit or exercising your rights under ERISA.

If your claim for a Plan Benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. See Section 9, *Claims Procedures*, for details.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of the plan document from the Plan, and do not receive it within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent for reasons beyond the control of the Plan Administrator.

If you have a claim for Benefits, which is denied or ignored, in whole or in part, and you have exhausted the administrative remedies available under the Plan, you may file suit in a state or federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order, you may file suit in federal court. If it should happen that the Plan's fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor,

Patient Protection and Affordable Care Act ("PPACA")

Grandfathered Health Plan Notice

This group health plan believes this Plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at (877) 227-4372. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.
