

# Life Insurance Options for CBIZ & MHM Associates

It's not easy to think about a time when you are no longer here. But if something does happen to you, life insurance can help your loved ones stay on track to realize their goals and dreams. As an associate of CBIZ, you have several options when it comes to protecting your family in the event of your death. All full-time CBIZ associates automatically receive basic life and accidental death and dismemberment coverage equal to one times your annual salary to a maximum of \$50,000. This coverage is provided at no cost to you.

Some may require life insurance beyond what the optional life insurance plan provides. We at CBIZ Life Insurance Solutions can help with that.

The following tables provide sample rates for individual life insurance policies offered through CBIZ Life Insurance Solutions' carrier partners:
