

Here's what's included in your benefits.

We're making it easy to see exactly what's included in your UHC benefits. Check out these resources to get the support you need. That way, you can feel confident you're making the right decisions — for you and your family.

Cancer Support Program

If cancer touches your life, this personalized program can help you manage your symptoms or side effects, and connect you with the care you need.

You can easily access some of these services by calling the number on your health plan ID card.

Bariatric Resource Services

If you're considering bariatric surgery, a nurse can help answer your questions and give you 1-to-1 support before and after surgery.

You can easily access some of these services by calling the number on your health plan ID card.

Transplant Resource Services

When you call, a transplant nurse can refer you to a medical center from our Centers of Excellence network and work with your doctors to help coordinate treatment.

You can easily access some of these services by calling the number on your health plan ID card.

Maternity Support

If you're thinking about having a baby or have one on the way, a maternity nurse is here to guide you through your pregnancy and after you give birth.

You can easily access some of these services by calling the number on your health plan ID card.

If you have a TTY system for a hearing or speech impairment, call 711
