

Introducing MapMyFinances

Create a game plan for each step of your financial life,
so you can tackle what's now and what's next.

MapMyFinances

Create your financial game plan with our online educational planning tool

No matter where you are on your financial journey, MapMyFinances will help you get a clear picture of your financial reality and put you on a path to help reach your goals. MapMyFinances creates a **personalized,* step-by-step action plan** on how to help achieve your goals and gain financial flexibility throughout your life — because your finances should adapt to your life, not the other way around.

After you answer key questions, you will be able to:

- View your personalized* financial wellness score (0 to 100) to help you gauge your current financial situation.
- Learn simple, actionable ways to help improve your score.
- Get easy-to-understand information about how to prioritize and optimize your finances.
