Your Benefit Offering

How much can I borrow?
Standard loans are given in amounts ranging between $1,000 and $5,000*.

Is my employer loaning me the money?
No. Loans are supplied through an independent partnership and are funded by Sunrise Banks, N.A. Member FDIC. We are making this program available as a voluntary benefit and do not provide any funding or approval for the loan.

How does it work?
When you apply for a loan, We provide employment information to TrueConnect to confirm your eligibility. No credit report required. Once approved, you will then choose your loan amount, sign your documents and instruct the bank where to deposit your money—all online. Depending on the day (and time) of your approval, the money may be available as soon as the next business day.

How do I pay it back?
Your loan will be repaid from your authorized payroll deductions, based on the payment schedule set forth in the loan agreement, beginning on your scheduled payday. You may repay the loan early without penalty if you wish.

Why TrueConnect over another lending program?
We all have immediate cash needs to pay for unexpected health care deductibles, car repairs, or other life events. TrueConnect is intended to meet those needs, conveniently. Unlike costly payday loans (often at 400% APR interest or more), the loan is repaid over 12 months through small payroll deductions. It is also an alternative to hardship withdrawals from 401(k) or 403(b) plans, which can dangerously reduce retirement savings.
